CAREER DEVELOPMENT PROGRAMME CONDUCTED BY DEPARTMENT OF CHEMISTRY ON 27/02/2023

Talk on Career Guidance

Apart from regular tutorial sessions, we conducted frequent interaction of faculty with students to collect their feedback regarding the activities of the department. One of the suggestions received from the first-year students is their lack of awareness in career opportunities. Based on their feedback we have decided to conduct an interactive session for students on 27/02/2023. This session was handled by Shri A V Satheesh, Scientist, Kudankulam Power Corporation of India Ltd. Mr Satheesh spoke about the career opportunities in nuclear powerplant. He also presented a clear picture regarding institutions offering higher studies in Chemistry. Students expressed their queries during the session and Shri Satheesh respond to all questions. The programme was coordinated by Dr Nitha L P and attended by 60 participants.

Outcome: The programme was well received by students, especially first year students. This programme gave them an opportunity to know about their future opportunities both in job sector as well as for further studies. Students were benefited by the knowledge about various entrance exam conducted by national institutes.

The conventional wisdom holds that those who have chosen to specialise in cooperation during UG are the only ones likely to get employment in the subject. There is actually a huge amount of opportunity for employment in that sector, contrary to popular notion. The resource person, Dr. Laxmi Suresh Babu, Faculty Member, Institute of Cooperative Management in Trivandrum, filled in on the details of the same. She gave a detailed account of the current scenario of cooperative sector in Kerala and India as a whole, its job potential and equipped the students the means by which they can acquire the jobs in that field.

OBJECTIVES OF THE PROGRAMME

1. To make the participants aware of the current scenario of cooperative sector
2. To make the students aware of the job opportunities available in that field
3. To equip the students to get those jobs.

METHODOLOGY

The inaugural ceremony began at 11:30 AM with a prayer led by Acharya Anusmaranam. A welcome address was then given by Dr. Sumitha R, Assistant Professor in the Department of Commerce. Head and Assistant Professor Dr. Dileep AS delivered the presidential address (Department of Commerce). The event was inaugurated by the principal, Dr. Nanthyath Gopalakrishnan.

Dr. Laxmi Suresh Babu, the session's resource person, then gave a talk regarding the cooperative sector and its potential for employment. The talk shed a lot of light on the subject and the vast number of potential careers open to someone with this knowledge. The session was also participatory, which was a nice touch. Dr. Pradeep Kumar N (Convenor, ED Club and Assistant Professor, Department of Commerce) offered the concluding remarks and vote of thanks.

OUTCOME AND FEEDBACK

More than sixty students showed out to the program, which featured an interactive presentation on the different job options in the Cooperative sector. The attendees benefited greatly from the detailed breakdown of the many skill sets required for the position.

'Being an English Graduate' – A Class by Shri Renjith Babu, IELTS Expert organized by the PG Department of English, MG College, Thiruvananthapuram on 12.08.2022

The Post Graduate Department of English, MG College Thiruvananthapuram organized a class on '*Being an English Graduate*' for both Under Graduate and Post Graduate students of English on 12.08.2022 at Room No: 75 in MG College. The stated intent of the conduct of the class was to expose the students to the multitude of opportunities available to English graduates once they successfully pass out. The class began at 01:30 pm with a prayer and Acharya Anusmaranam. Dr. Smt. Vidya Rajagopal, Head of the Department, English Department welcomed the subject expert as well as the students and faculty to the class. She began by extending a round of appreciation to the Programme Coordinator- Smt. Vani Jyoti for making the necessary arrangements for the class at short notice for the benefit of all present. The class was undertaken by Shri Renjith Babu, an expert on IELTS preparation. Shri Renjith Babu began by congratulating the college faculty for arranging for the class, as adequate exposure for the students to the varied opportunities available to them post-graduation in English was an absolute necessity. He said that as his core competence lay in preparing students for the IELTS examination, he would be focusing more on how to prepare oneself for the examination and the employment avenues that would be available to students who succeed in gaining high grades in the examination. He thus went on to explain in elaborate terms as to how to register for the IELTS examination, studying for the exam and rules and regulations of the said exam. He gave the students valuable pointers on to how to efficiently crack the exam with the minimal of effort. He also elaborated upon the various growth opportunities that would be available to students who crack IELTS with a score of greater than 7.5, both higher studies-wise as well as employment-wise. Subsequent to the conclusion of the class, students were given an opportunity to pose questions to the subject expert and which he answered diligently. It was a matter of great satisfaction that the students got to learn much about the IELTS process through the class and much of their queries were also satiated. The class concluded at 03:30 pm with a Vote-of-Thanks from Smt. Jessykutty M. Jose.
