Disability Day Celebration At Balavikas Institute

LETTER OF COLLABORATION

Between

Balavikas Institute and

Department of Psychology of Mahatma Gandhi College, Thiruvananthapuram

This is an agreement of collaboration made on 1.7.2022 and is intended to outline and formalize the partnership between Balavikas Institute, Peroorkada, Thiruvananthapuram and Mahatma Gandhi College, Keshavadasapuram, Thiruvananthapuram.

Balavikas Institute is a special kids school and Department of Psychology of Mahatma Gandhi College runs UG course in Psychology. Through this collaboration, Psychology students of Mahatma Gandhi College will under the guidance of the faculty conduct activities for the benefit of the special kids of Balavikas Institute. They will also conduct interactive sessions and awareness sessions for the parents and the students of Balavikas. In turn, Balavikas Institution will provide internship facilities for the students of the Psychology Department. This will give first hand learning experience for the students to deal with special kids having learning disabilities, autism, mental retardation etc. This collaboration will benefit and academically nourish the students of both institutions.

Report on Career Awareness Programme on *Higher Education and Job Opportunities* organised by PG & Research Department of Commerce Mahatma Gandhi College in association with TIME Institute on 22nd February 2023

Introduction

PG & Research Department of Commerce Mahatma Gandhi College in association with TIME Institute organized a career awareness programme on Higher Education and Job Opportunities on 22/02/2023 for PG and Second Year UG students. Seminar Hall was the venue for the programme. The programme began at 1.30 pm with a prayer and was followed by Acharayanusmaranam. Dr. Dileep. A.S, Head of the Department of Commerce at Mahatma Gandhi College proposed welcome speech. The presidential address was given by Dr. Nandiyath Gopalakrishnan Principal, Mahatma Gandhi College. Dr. Pradeepkumar. N, Dr. Vinod A.S, Dr. Jayadev.S, and Sri. Vishnu Gopan expressed felicitation to the programme and at 1.50 p.m. Dr. Sumitha .R gave a vote of appreciation to end the official inauguration. This was followed by the session on Higher Education and Job Opportunities handled by Mr. Rakesh Rajeev, Director TIME Trivandrum and former alumni of CET College Trivandrum 2007-11 AE Batch. The session ends at 3.30 pm.

Objective

This programme primarily focused to create awareness and to encourage students who aspire to continue higher education in India or abroad after their graduation or post-graduation studies. The programme aims to help students understand their own personal skills and preferences, potential career sectors and prospects, elements that can affect a job's outlook and the education required for success.

Methodology of the Programme

The main component of the programme, a 1.5 hour expert session, was led by Mr. Rakesh Rajeev, Director TIME Trivandrum and past graduate of CET College Trivandrum 2007-11 AE Batch, using a power point presentation, class participation, and debate to achieve the prescribed objectives. The programme was chosen by the students, who signed up using a Google Form that was made available to them.

Outcome of the Programme

The programme was a success and gave students a better grasp of ample of opportunities and career options they can choose from Commerce. The resource person also emphasised that career decision is one of the most significant decisions in one's life and therefore, it must not be taken under parents' compulsion or peer pressure. The session also provides students with information on the challenges they will face after finishing their studies. Students will surely profit from having the information they need to understand the significant changes taking place all around them. Google Forms were also used to gather comments and suggestions on the programme.

The main component of the programme, a 1.5 hour expert session, was led by Mr. Shameem Pariyanghat using a power point presentation, class participation, and debate to achieve the prescribed objectives.

Outcome of the Programme

The programme was a success and gave students a better grasp of ample of opportunities and career options they can choose from Commerce and related topics. The resource person also emphasised that career decision is one of the most significant decisions in one's life and therefore, it must not be taken under parents' compulsion or peer pressure. The session also provides students with information on the challenges they will face after finishing their studies. Students will surely profit from having the

Translation of the functional MOU between Valapil Grama Panchayat and Mahatma Gandhi College

Resolution No. 30 (1) of the regular meeting held on 23/1/2022 by Valapil Grama Panchayat

The Panchayat Committee discussed the letter dated 04/11/2022 submitted by the Principal of Mahatma Gandhi College, Thiruvananthapuram. According to the Ministry of Human Resource Development, Mahatma Gandhi College Thiruvananthapuram is conducting programs for the development of entrepreneurship in villages under the Human Resource Ministry's Unnat Bharat Abhiyan programme and in connection with the program, it is interested in providing training in the manufacture of LED bulbs and paper bags in collaboration with Valapil Gram Panchayat. After discussing with Unant Bharat Abhiyan Program Coordinator and Assistant Professor at Mahatma Gandhi College Dr.Shyamlal, the Panchayat Committee decided to give permission to the College to provide training for the people of Grama Panchayat in Valapil on the subject of paper bag making and repair of LED bulbs.

Details of the Activities Undertaken

Upskilling of SHGs :

Based on a series of discussion with the Panchayath President and Other Officials and field visits, UBA, Mahatma Gandhi College was able to shortlist around 10 SHGs who had expressed their willingness to associate in this programme.

Identification of Skilling Project

A series of upskilling projects related to value addition to food products (banana chips, pickle making, paper bags...etc) were discussed. Group discussion was undertaken to identify the prospects of these projects in the local area, the optimal utilization of the support system available in and around their panchayat and the scope of marketability of these products to achieve sustainability in the long run.

Selection of Viable Project

Based on the inputs received through the Group Discussion (GD) with SHGs, we had shortlisted some of the projects for second round of discussions and viability studies. Based on these inputs from the local community and the participants we had initiated the first project for the manufacturing of LED. An LED stands for "Light-Emitting Diode." which is an electronic device that emits light when an electrical current is passed through it. Early LEDs produced only red light, but modern LEDs can produce several different colors, including red, green, and blue (RGB) light. Recent advances in LED technology have made it possible for LEDs to produce white light as well. Since LEDs are energy efficient and have a long lifespan (often more than 100,000 hours), they have begun to replace traditional light bulbs in several areas. The energy efficient nature of LEDs allows them to produce brighter light than other types of bulbs while using less energy.

Marketing through Haritha Karma Sena

Initially discussions with the Haritha Karma Sena for their assistance in selling the products in the rural areas and to follow it up through identify the prospective channels for marketing

**Agreement of Linkage between Society for Odonate Studies and
Department of Zoology, Mahatma Gandhi College, Thiruvananthapuram**

This is an agreement of linkage made on 09-03-2023 and is intended to outline and formalize the partnership between Society for Odonate Studies – India, Kerala and Mahatma Gandhi College, Thiruvananthapuram.

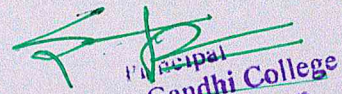

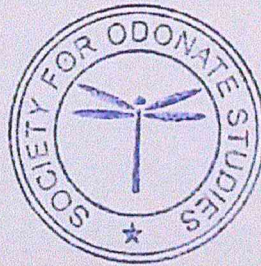

The purpose of this linkage agreement is to delineate the process by which the above parties will collaborate in referring and providing appropriate aids and expertise in UG and PG projects and for research students by the above-mentioned organization to get a real life experience in nature and know more about the Odonates and their role in ecosystem maintenance.

The practical knowledge gained from this helps in expanding their knowledge base, promoting holistic education, and increase their curiosity towards nature and biodiversity. The main objective of this linkage is to create an inclusive and comprehensive learning environment that prepares students to tackle the challenges they may face in their academic, professional, and personal lives.

The terms of this linkage agreement shall commence on 01-04-2023 and shall extend through one year and is renewable thereafter as agreed upon by the parties.

Acknowledgement

We express our deep sense of gratitude to Dr. Adhira. M. Nayar, Assistant Professor, Postgraduate Department of Zoology and Research Centre, Mahatma Gandhi College, Trivandrum, for her guidance, valuable suggestions, constant encouragement, whole hearted support and critical evaluation throughout this work. We extend our wholehearted gratitude to Dr. Sujith V Gopalan, Volunteer, Society for Odonate Studies for the expertise rendered in identifying the specimens collected.

We are greatly indebted to Dr. Balamurali R S, Head of Department, Postgraduate Department of Zoology and Research Centre, Mahatma Gandhi College, Trivandrum, for his inspiration, whole hearted encouragement and support as well as for providing all the necessary facilities to carry out this work successfully.

We owe our sincere gratitude to Dr. Ampili M, Principal, Mahatma Gandhi College, Trivandrum, for providing all the necessary facilities.

We express our sincere gratitude to the other faculty members, Dr. Sakthi Babu R L., Dr. Asha V G., Dr. Bijukumar B S., Dr. Suresh Chandra Kurup R. and Mrs. Arya S., for their sincere support and valuable advices for the successful completion of this project.

We record our heartfelt thanks Shri Kannan S , Lab Assistant, Department of Zoology, Mahatma Gandhi College, Trivandrum, for his sincere help and support rendered.

We record heartfelt thanks and sincere gratitude to Dr. Premeela M, Associate Professor (rtd) and Shri Vignarajan N, Lab Assistant (Rtd) for their incessant encouragement, sincere support and guidance whenever and wherever needed during the last three years.

We are greatly thankful to our classmates for their valuable help and sincere co-operation, which aided much in the completion of this project.

A deep sense of gratitude and thanks to our dear parents and siblings for the moral support, encouragement and blessings. Above all, we would really like to thank to God Almighty for the successful completion of our project.

Certificate

This is to certify that the BSc. Project entitled "Comparative study on the Diversity of Dragonflies and Damselflies in the Paddy Fields located at Vellayani and Devasom Lane, Kesavadasapuram, Thiruvananthapuram" is an authentic record of the work carried out by following seven students of Sixth Semester BSc Zoology (2020-23) under my guidance and that no part thereof has been presented earlier for the award of any degree, diploma, associateship, fellowship or other similar titles for recognition in any other University or Institution.

LINKAGE AGREEMENT BETWEEN SOCIETY OF ODONATE STUDIES AND THE POSTGRADUATE DEPARTMENT OF ZOOLOGY AND RESEARCH CENTRE, MAHATMA GANDHI COLLEGE, THIRUVANANTHAPURAM

As part of the linkage agreement between the Society of Odonate studies and Department of Zoology, the UG students have actively participated in the Wetland biomonitoring, Dragonfly surveys in the various Wetlands of Kerala, viz., Kole, Kattampally, Vellayani and Bharathapuzha. The UG students from the Dept of zoology has carried out their group project work with the expertise from the volunteers of Society of Odonate Studies and could prepare a checklist of the Odonate species observed during the study period. Their project was titled as, “Comparative Study on The Diversity Of Dragonflies And Damselflies In The Paddy Fields Of Vellayani And Devasom Lane, Kesavadasapuram, Thiruvananthapuram (2023)”

Field Observation of Odonates by the BSc Zoology Students

DEPARTMENT OF AQUATIC BIOLOGY AND FISHERIES,
UNIVERSITY OF KERALA, THIRUVANATHAPURAM-695581 AND
MAHATMA GANDHI COLLEGE, THIRUVANATHAPURAM-695004**

This is an agreement of collaboration made on 2nd June 2022 and is intended to outline and formalise the partnership between Department of Aquatic Biology and Fisheries, University of Kerala and Mahatma Gandhi College, Thiruvananthapuram.

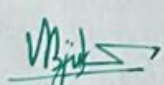

The purpose of this collaboration is to delineate the process by which the above parties will collaborate in providing appropriate aids for conducting the **Research/ Consultancy/ Academic support/ curriculum enhancement/ internships/ Summer projects/ publication** to stimulate intellectual growth, promote teamwork, and provide opportunities for students to improve their knowledge and skills, outside the standard curriculum.

Benefits of the collaboration

Terms and Conditions.

1. There is no financial commitment for both parties of this collaboration
2. This agreement is valid for **three years** from the date of its commencement.

The terms of this collaboration shall commence on 2nd June 2023 and shall extend through 1st June 2025 and is renewable thereafter as agreed upon by the parties.
