

MAHATMA GANDHI COLLEGE, THIRUVANANTHAPURAM

Anti- Ragging Cell Report 2023-24

Anti- Ragging cell is a supervisory and advisory committee in preserving a culture of ragging free environment in the college campus. An Anti - Ragging Committee was also formed along with Anti-Ragging cell to keep continuous vigil over ragging so as to prevent its occurrence and recurrence. Ms. Minu Balakrishnan was appointed as the convenor of the club and the following faculties were selected as the members.

1. Dr. Priya L G
2. Dr. N . Pradeep Kumar
3. Dr. Rajesh Kumar R
4. Dr. Harikumar S
5. Dr. Sakthibabu R L
6. Mr. Ayyappadas B O
7. Dr. Raj M

In November 2023, the Anti Ragging Cell initiated its club activities, witnessing enthusiastic student participation both in class and in various organized events. Throughout the academic year, students actively shared numerous ideas aimed at promoting awareness and preventing ragging incidents. These ideas included plans to visit first-year classes to educate students on the importance of rejecting ragging and an exhibition featuring anti-ragging slogans to raise awareness and promote the prevention of ragging. An instructional session on raising awareness about anti-ragging was conducted, led by Ms. Aswathy on 10 January 2024. Despite the limited time frame and resources, the committee managed to achieve some of its goals. Concurrently, the cell remained vigilant in assisting the Anti-Ragging Committee in addressing instances of student aggression within the college premises throughout the academic year.
