Brief Report on Keraleeyam 2023 Visit

In November 2023, undergraduate and postgraduate students from the Department of Botany at Mahatma Gandhi College visited the Keraleeyam 2023 program. This event, showcasing the rich cultural heritage and biodiversity of Kerala, provided an enriching experience for the students. Keraleeyam 2023 featured various exhibitions, workshops, and interactive sessions focusing on Kerala's flora, fauna, and cultural traditions. The program aimed to raise awareness about the importance of preserving the state's natural and cultural heritage.

Our UG and PG students actively participated in programmes. The visit to Keraleeyam 2023 provided our students with practical insights into the application of their academic knowledge. It enhanced their understanding of Kerala's biodiversity and the significance of traditional ecological knowledge in modern conservation efforts. The participation of UG and PG students from the Department of Botany in Keraleeyam 2023 was a valuable educational experience, reinforcing the importance of biodiversity and cultural heritage conservation. The event inspired students to consider sustainable practices in their future research and professional endeavors.

Report on Student Participation in National Seminar on Current Trends in Biology-2023

On 10th November 2023, postgraduate students and research scholars from the Department of Botany at Mahatma Gandhi College participated in the National Seminar on Current Trends in Biology-2023, held at Marian College of Arts and Science, Kazhakkuttom, Thiruvananthapuram. The seminar brought together biologists, researchers, and students to discuss recent advancements and current trends in various fields of biology. It featured keynote speeches, research presentations, and interactive sessions. Our research scholars presented their latest research findings, focusing on diverse topics within the field of botany. Their presentations were well-received, highlighting the quality and relevance of their work. The postgraduate students enthusiastically participated in the seminar. They attended various sessions, engaged in discussions, and networked with professionals and peers. The seminar provided them with insights into cutting-edge research and emerging trends in biology.

The seminar offered a valuable platform for our students and scholars to showcase their research, Gain exposure to innovative ideas and methodologies, Enhance their knowledge through interactions

with experts, Develop professional connections and collaborations. The participation of our PG students and research scholars in the National Seminar on Current Trends in Biology- 2023 was a resounding success. It enriched their academic experience and fostered a deeper understanding of the dynamic field of biology. The enthusiasm and engagement displayed by our students underscored their commitment to advancing their knowledge and contributing to the scientific community.

Report on Participation in Inter Collegiate Idea Challenge

Students from Mahatma Gandhi College participated in the Inter Collegiate Idea Challenge organized by VTM NSS College, Dhanuvachapuram, in association with the Institutions Innovation Council (Ministry of Education initiative). The competition aimed to encourage innovative thinking and problem-solving skills among college students. Our college team presented an idea for a "smart bed," which earned them the first prize in the competition. The winning team consisted of Aparna Chandran L - 1st Year M.Sc. Botany, Athulya Sankar S - 1st Year M.Sc. Botany, Arjun JB - 1st Year M.Sc. Mathematics, and Gokul B - 3rd Year B.A. Sociology. The prize included certificates and a cash award of Rs 3000, which were presented by the Principal of VTM NSS College, Dhanuvachapuram, on 6th December 2023. The team was also invited to present their innovative idea regarding the smart bed, which integrates technology for enhanced comfort and functionality. The presentation highlighted the potential benefits and applications of the smart bed, demonstrating the team's creativity and practical approach to addressing everyday challenges. The participation and victory in the Inter Collegiate Idea Challenge were significant achievements for the students of Mahatma Gandhi College. It showcased their innovative spirit and ability to collaborate across different fields of study. The first prize recognition, along with the certificates and cash award,

underscored the high quality of their idea and presentation.

Format for idea submission (PPT/MS Word)

1. Explain the problem statement in one line.
2. A detailed background of the problem.
3. Explain who is affected by the problem.
4. Explain existing solutions and their limitations.
5. Title of the idea.
6. Explain the idea in a paragraph.
7. Advantages of the idea.
8. Explain why do you want to solve this problem.
9. Who is the customer for your product or solution?
10. Estimated time for implementing the idea.
11. Estimated cost of the idea/project.
12. Whether any product development was attempted if any.

Send your ideas to lic_vtm@vtmnsscollege.ac.in

Selected ideas will have to be presented before an Expert Committee in 10 minutes

Report on QR coding of campus flora

Department of Botany at Mahatma Gandhi College undertook an initiative to document and QR code the campus flora. This project, led by Ms. Sharanya K.P., Assistant Professor, along with a group of final year UG students, aimed to enhance the educational and research potential of the campus by making information about campus trees readily accessible through QR codes. On March 26, 2024, QR codes were tied to the plants by HOD Dr. Sivu A.R. during a special event. The event was attended by Principal- Dr. Beena S, IQAC members, faculty of the Botany department, and students.

Scientific Name, Common Name, Malayalam Name, Family, and Economic Importance were provided in the QR code data. The QR coding project successfully documented the

campus flora, providing a digital resource that links physical plants to detailed botanical information. This initiative not only enhances the learning environment but also supports research activities by making plant information easily accessible.

Students and visitors can now access detailed information about campus flora by scanning QR codes, promoting a deeper understanding of plant biology and economic importance. The documented information serves as a valuable resource for botanical research and study. The use of QR codes represents an innovative approach to integrating technology with botanical education. This project not only provides immediate access to valuable information but also demonstrates the effective use of technology in educational initiatives.

Commerce Dept.

Merit Day and Researchers Meet 2023-24

Post Graduate & Research Department of Commerce conducted 'Merit Day 2023-24' on 01/04/2023, 10 am, at department seminar hall. Programme started with a Prayer and Acharya Anusmaranam. Principal, Dr.Beena S. inaugurated the function. Dr.Dileep.A.S, Head, Department of Commerce, presided over the program. Dr. N. Pradeep Kumar welcomed the gathering. The Principal distributed mementos to those students who have cleared JRF/NET examination 2023-24.

'Prof. M. S. Sreekumar Memorial Endowment' and 'Prof. Dr. S. Krishnan Nair Memorial Scholarship' were distributed to the toppers from B. Com and M. Com batches. Greeshma Satheesh from M. Com and Varsha S.A from B. Com received cash awards for their remarkable performance. 'Jeevankumar A.S Memorial Endowment' were distributed to the second toppers from B. Com and

M.Com batches. Anoop S. from B.Com and Devika Sreekumar from M.Com received cash awards for their remarkable performance.

Post Graduate Department of Commerce and Research Centre, Mahatma Gandhi College has organised Annual Research Work Progress Presentation, an experience to all full time and part time research scholars on 01/04/2024. This programme is based on the “Research Colloquium” activities of our department.

The event started by 11.30 am, Dr.Dileep.A.S Head of the Department, Dr. S. Jayadev.S Research Convenor, Mahatma Gandhi College, Dr. Pradeep Kumar N. Research co-ordinator Department of Commerce, research supervisors Dr. S. Priya and Dr.Chithra. participated the annual research conference. During the event, our department felicitated all the research supervisors who successfully guided the students and students who were awarded PhD during the academic year 2023-2024.

As the event progressed, all research scholars were given an opportunity to present their individual research activities from the date of registration. The scholars were given a maximum of 10 minutes for the individual presentation, followed by active and deliberate open discussion for 5 minutes. All the research scholars (both full time and part time) presented their work in progress.

Seminars and Workshops

1. “Overhauling Research Snafus: Application of Bibliometric Tools” is a bibliometric workshop organized by the Post Graduate Department of Commerce and Research Centre, Mahatma Gandhi College, Thiruvananthapuram. This workshop is designed to equip you with the knowledge and skills to harness the power of bibliometric tools to make informed decisions and gain insights into the scholarly impact of research. The Workshop was in offline mode with 54 registrations from inside and outside the department. Programme Coordinator and Assistant Professor Dr. Pradeep Kumar N welcomed the guests to the Workshop in the welcome address. The official commencement of the programme was by the inauguration by the Head of the institution, Principal Dr. Beena S, followed by the Presidential address by Assistant Professor Dr Dileep A S, and Head of Department of Commerce. The workshop began at 10 am by Dr. Nimitha Aboobaker, an Assistant Professor at School of Management Studies, CUSAT. She has garnered a reputation for her exceptional work that spans both academia and research. Some of her notable achievements include best paper awards from eminent institutions like UGC, IIM, University of Hyderabad. Also a reviewer to more than a dozen international journals she has won the Emerald Literati Award for ‘Outstanding Reviewer’. Also her works have been invited for presentation in top-tier international conferences. The workshop was finished successfully by 4:00 pm.

2. The Entrepreneurship Development Club and the Post-Graduate Department & Research Centre of Commerce, Mahatma Gandhi College, in collaboration with Research Innovation Network Kerala (RINK), organised a workshop titled "Entrepreneurial Ways – Research Products into Commercial Ventures." The main goal of this workshop was to emphasise the significance of entrepreneurship in converting research ideas and innovations into viable business ventures and start-ups. The target audience for the seminar comprised faculty members, research scholars, and post-graduate students from various disciplines. The program featured a talk by Dr. Deepu Krishnan P R, Assistant Manager at RINK, KSUM, and brainstorming activities conducted by the Technology Fellows of RINK, Shahana and Adam. Research is being conducted in universities across different fields, including commerce and science. However, much of this research stays confined within the university premises. This needs to change. Research in science & technology, commerce, etc., should reach society and evolve into profitable products and entrepreneurial ventures. There is a gap that needs to

be bridged between research and business/start-up/entrepreneurship ventures. This workshop aimed to address how we can bridge this gap by utilising entrepreneurial skills, knowledge about the business environment, and business laws. The workshop took place at the Seminar Hall, Department of Commerce, with almost 40 registrations. Dr. Pradeep Kumar N, the Programme Coordinator and Assistant Professor in Commerce, extended a warm welcome to the attendees in the opening address of the Workshop. The event officially commenced with the inauguration by Dr. Beena S, the Head of the institution, followed by a Presidential address from Dr. Dileep A S, Head of the Department of Commerce. The esteemed speaker, Dr. Deepu Krishnan P R, who has visited the campus before, discussed the ways to transform academic research into commercial ventures. The workshop stressed the importance of implementing practical applications of research and innovation by Research Scholars. He emphasised the significance of transitioning research from the Ideation phase to the Marketing phase. An activity session allowed Research Scholars to reflect on their work and gain better insights into applying their research outcomes. The event concluded with a Vote of Thanks delivered by Anandhapadmanabhan S, Research Scholar from the Department of Commerce. 52 Students participated the Programme.

Commerce Day and Donation to Cancer Care Center

As part of the department's best practices, students used the occasion of "Comfest," a day recognized at Mahatma Gandhi College in Trivandrum where students in the commerce department will have the chance to showcase their various talents, to donate money to the Sanadhalayam Cancer Care Center in Thiruvananthapuram. The representative of the Sanadhalayam cancer care center receives the money from the Head of the Department of Commerce.

Objectives

The program was organised with an objective to fulfil the best practice of the department from the fund raised for a celebration event in the campus.

Methodology

The event was inaugurated by Dr. Beena S. principal, Mahatma Gandhi College, Trivandrum and the chief guest of the program, Sri. Anoop Sankar, Play back Singer representative of the Sanadhalayam cancer care centre, Thiruvananthapuram, attended the function to receive the donation from the organisers of the event.

Outcome

The members of the COMET NGO made an celebration event more fruitful with the utilisation of the opportunity to make a donation.

SOCIOLOGY

ACTIVITIES

FIELD VISIT TO PANCHAYAT OFFICES IN TRIVANDRUM

53 students from the 3rd DC Sociology class embarked on a field trip to explore the operations of various Panchayat offices located in Thiruvananthapuram. During their visit, they actively engaged with Panchayat officials to gain insights into the day-to-day functioning of these local administrative bodies. Moreover, they meticulously identified the key challenges and pressing issues encountered by each Panchayat, thereby deepening their understanding of the socio-economic landscape at the grassroots level.

Furthermore, the students talked to the local residents to understand their views on the help provided by the Panchayats. By having meaningful conversations, they wanted to see if the assistance was reaching the right people. This experience helped them learn about how local government works and how it involves the community.

RESEARCHER'S FEST

Sociology students attended the RESEARCHER'S FEST

The ***KU RESEARCHER'S FEST*** named ***HEIGHTS-23*** happening at ***KARYAVATTOM CAMPUS*** is the fest that 30 students from Sociology second semester attended on 20.6.2023. It was a magnificent experience for the student community to explore and understand a lot of things ranging from the various numbers of departments to understanding what each and every one of them are. The programmes organized by every department were so vivid. A lot of them included had exhibitions from the ***DEPARTMENT OF AQUATICS AND FISHERIES,** **DEPARTMENT OF ARCHEOLOGY*** and from ***DEPARTMENT OF SOCIOLOGY*** . They also had an amazing book fest collaborating with a lot of publishers across Trivandrum.

Altogether it was a great and much needed exposure for students.

ORIENTATION PROGRAM FOR SOCIOLOGY 1ST YEAR STUDENTS

The poster is for an online orientation program. At the top, it features the logos of the Kerala Sociological Society (KSS) and Mahatma Gandhi College Thiruvananthapuram. The text reads: 'KERALA SOCIOLOGICAL SOCIETY Reg. No. 593/1975 IN COLLABORATION WITH MAHATMA GANDHI COLLEGE THIRUVANANTHAPURAM ORGANISES ONLINE ORIENTATION PROGRAMME FOR STUDENTS ENROLLED FOR SOCIOLOGY DEGREE PROGRAMME UNDER UNIVERSITY OF KERALA ON Practicing Sociology and Sociological Imagination'. It provides the Google Meet link: 'Platform: Google meet link MEET.GOOGLE.COM/WIS-KCS7-OMC'. A central photo shows Dr. Biju Vincent, with his name and affiliation: 'Dr. Biju Vincent Department of Sociology Sree Sankaracharya University of Sanskrit Kalady, Ernakulam'. The date and time are '22/08/2023 Tuesday' and 'FROM 11:00 AM TO 12:00 NOON'. At the bottom, it lists the KSS officers: 'PRESIDENT, KSS DR. BUSHRA BEEGOM R. X SECRETARY, KSS DR. JYOTHI S NAIR VICE PRESIDENT, KSS DR. JOHNSON MM CONVENORS DR. SARITA R., DR. SUBALEKSHMI G. S'.

The Department of Sociology in Collaboration with Kerala Sociological Society conducted an Online Orientation Program for 1st year students on 22 August 2023 from 11.00am to 12.00

noon. The session was conducted by Dr. Biju Vincent, Professor, Sree Sankaracharya University of Sanskrit Kalady, Ernakulam.

Orientation was very useful for the students who are studying Sociology. Through this session they learned about many opportunities related to sociology as a discipline. He gave a brief about the scholars who related sociology and about sociological imagination. He taught us how to face a problem through simple examples. In short, the orientation program was very beneficial for every sociology aspirants.

Sociology students attended the RESEARCHER'S FEST

The *KU RESEARCHER'S FEST* named *HEIGHTS-23* happening at *KARYAVATTOM CAMPUS* is the fest that 30 students from Sociology second semester attended on 20.6.2023. It was a magnificent experience for the student community to explore and understand a lot of things ranging from the various numbers of departments to understanding what each and every one of them are. The programmes organized by every department were so vivid. A lot of them included had exhibitions from the *DEPARTMENT OF AQUATICS AND FISHERIES,

DEPARTMENT OF ARCHEOLOGY* and from *DEPARTMENT OF SOCIOLOGY*. They also had an amazing book fest collaborating with a lot of publishers across Trivandrum. Altogether it was a great and much needed exposure for students.

Introduction

Research and Development activities play a crucial role in establishing the distinctiveness of the institution, as they contribute to innovation, reputation, and societal impact. The R and D efforts at Mahatma Gandhi College, focus on generating new knowledge, technologies, and methodologies that address societal issues. These initiatives not only enhance the institution's academic standing but also foster the professional growth of both faculty and students. Faculty participation in RGD strengthens their expertise, keeps them updated with the latest advancements, and enables them to make meaningful contributions to the academic community.

Our institution stands as a leading research centre among arts and science colleges in the state of Kerala. Of the ten postgraduate departments, eight—Malayalam, Hindi, Mathematics, Physics, Chemistry, Botany, Zoology, and Commerce—are recognized as research centers by the University of Kerala. The PG Department of Physics was the first to attain this status in 1983, followed by the PG Department of Botany in 1988. The research committee is constituted for promoting multidisciplinary research as well as socially useful, productive activities. The college extends its research resources to faculty members of other sister institutions under NSS-management and other institutions. Additionally, faculty from departments like English, Psychology, and Economics, which are not officially recognized as research centers, have registered at other institutions and are successfully guiding Ph. D. scholars.

In collaboration with the IQAC, research committee along with research departments host the **Mahatma Gandhi College Annual Research Conference (MGC-ARC)**, an event initiated in 2017 under the visionary leadership of former Principal Dr. M.R. Sudarsanakumar.

In the current academic year 2023-24, Mahatma Gandhi College had 75 research supervisors, guiding 167 research scholars. In addition, around 8 faculty from other colleges and 65 research guides from both Mahatma Gandhi College and other sister institutions served as external research supervisors. The research centre is primarily focused on three main domains that include science, oriental languages and Commerce. The research centres specifically focus on unique research domains that align with societal issues.

During this year, 8 books and book chapters, 60 research articles were published, and 7 Ph.

D.s were awarded in 2024 and 24 Ph. D.s in 2023. There were numerous research collaborations

with prestigious national and international institutions. The Research Committee developed a comprehensive action plan for the year, focusing on enhancing research productivity, fostering collaborations, and developing a research policy. Meetings were held regularly with research guides to foresee the research activities. The Research Committee organized several workshops and conferences this year, focusing on equipping researchers with the latest tools and techniques in their fields.

The following activities were held during the year.

Session on Research Methodology

Date: 12-06-2023 Time: 10:45 AM Venue: College Seminar Hall

The Department of English organized a session on Research Methodology aimed at equipping students with essential skills in research. Mary Regitha Bellarmine, Assistant Professor from the Department of English, St. Joseph’s College for Women, Alappuzha, led the session. This program facilitated a comprehensive understanding of research methodologies, enhancing the academic prowess of the participants.

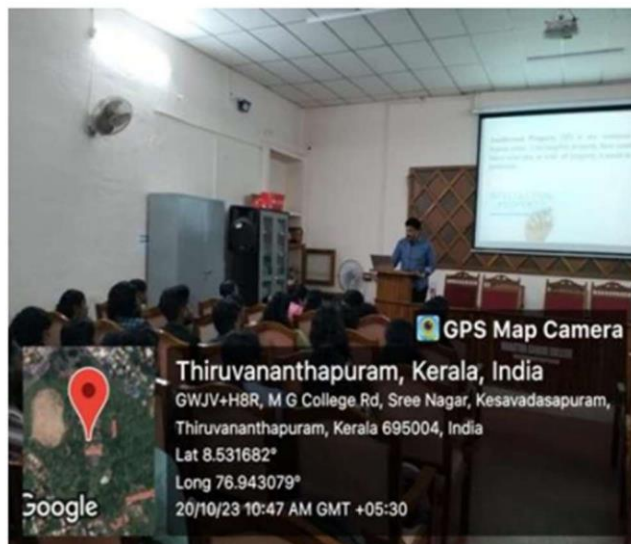

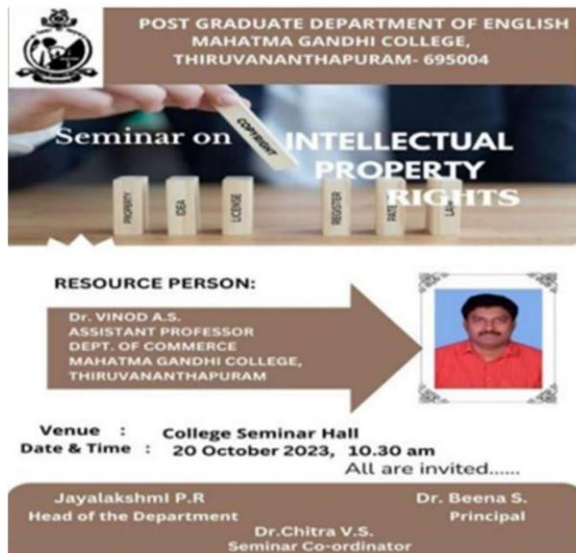

IPR or Intellectual Property Rights Seminar:

Date: 20-10-2023 Time: 10:30 AM Venue: College Seminar Hall

The Department of English conducted an Intellectual Property Rights (IPR) seminar to enlighten

students and faculty about the importance of safeguarding intellectual property in the evolving global scenario. Dr. Vinod A S, Assistant Professor from the Department of Commerce, Mahatma Gandhi College, Thiruvananthapuram, delivered the keynote address. The seminar provided insights into patents, copyrights, and the legal framework of IPR. An interactive discussion session enabled participants to seek clarifications and exchange ideas

IPR and Entrepreneurship Seminar:

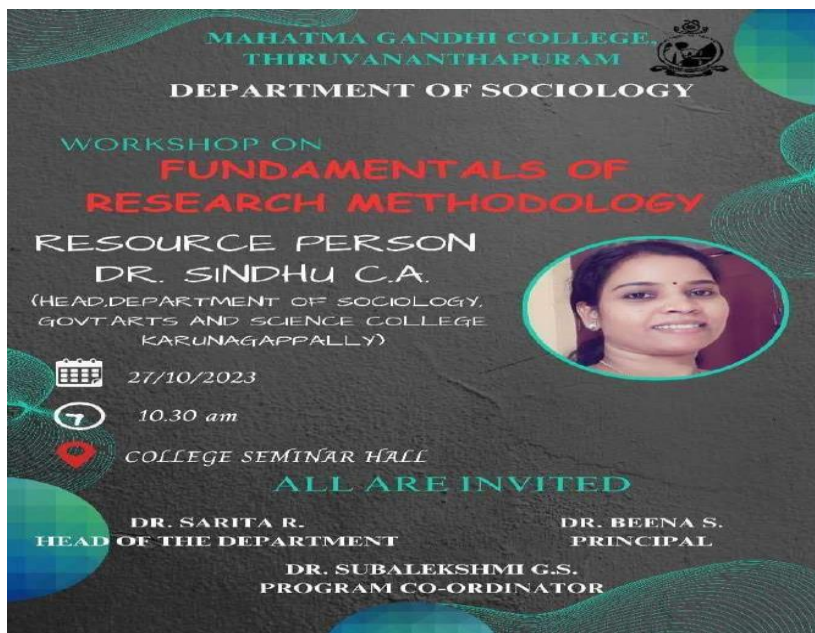

Date: 08-11-2023 Time: 10:30 AM Venue: College Seminar Hall A seminar focusing on the "Role of Language in Innovative Entrepreneurship Development and Employment Opportunities," was conducted by the department. Dr. N. Pradeep Kumar, Assistant Professor from the Department of Commerce, Mahatma Gandhi College, Thiruvananthapuram, served as the keynote speaker. This seminar underscored the significance of IPR in fostering innovation and supporting entrepreneurs. It provided a platform for engaging discussions and sharing experiences related to intellectual property protection

The seminar on Intellectual Property Rights (IPR), titled "Role of Language in Innovative Entrepreneurship Development and Employment Opportunities," hosted by the department, was a significant event aimed at highlighting the crucial intersection between language, innovation, entrepreneurship, and employment. Dr. N. Pradeep Kumar, an esteemed Assistant Professor from the Department of Commerce at Mahatma Gandhi College, Thiruvananthapuram, was selected as the keynote speaker for his expertise in the field. The seminar emphasized the pivotal role of IPR in fostering a conducive environment for innovation and entrepreneurship. It shed light on how intellectual property protection mechanisms play a crucial role in supporting and incentivizing entrepreneurs to engage in innovative endeavors. By safeguarding their intellectual assets, entrepreneurs are better equipped to navigate the competitive landscape and capitalize on their innovations effectively. Throughout the event, participants had the opportunity to engage in discussions and share their experiences related to intellectual property protection. These discussions likely covered various aspects, including the importance of language in crafting effective patent applications, trademarks, and copyrights, as well as the role of language in negotiating licensing agreements and resolving disputes related to intellectual property. Overall, the seminar provided a valuable platform for stakeholders to exchange insights, best practices, and challenges related to IPR in the context of entrepreneurship and employment. By raising awareness and fostering dialogue on this critical topic, the seminar aimed to empower individuals and organizations to harness the potential of intellectual property rights for driving innovation, economic growth, and job creation.

WORKSHOP ON FUNDAMENTALS OF RESEARCH METHODOLOGY

The Department of Sociology conducted a workshop on fundamentals of research methodology on 2th October 2023 at 10.30 am in the college Seminar hall. Dr.Subalekshmi G.S., Faculty, Department of Sociology co-ordinated the program.

The meeting commenced with prayer and acharyaanusmaranam by Gargi P.S. The welcome speech was proposed by Dr Subalekshmi G.S., Program Co-ordinator. Dr.Sarita R., Head, Department of Sociology proposed the presidential address and introduced the hon'ble resource person with brevity and clarity. The keynote address and workshop was conducted later on "The Fundamentals of Research Methodology" by Dr.Sindhu C.A., Head, Department of Sociology, Govt. Arts and Science College, Karunagappally. The workshop attempted to give an insight into how the research has to be conducted and various methods for conducting social research. A very systematic presentation was carried out by Dr.Sindhu C.A. on the fundamentals of research methodology. After the workshop resource person interacted with the participants. Numerous questions were raised and subjected to deeper discussions. The session ended with a vote of thanks proposed by Soorya S. Prakash, student of 3rd year Sociology.

Commerce Merit Day and Researchers Meet 2023-24

Post Graduate G Research Department of Commerce conducted 'Merit Day 2023-24' on 01/04/2023, 10 am, at department seminar hall. Programme started with a Prayer and Acharya Anusmaranam. Principal, Dr.Beena S. inaugurated the function. Dr.Dileep.A.S, Head, Department of Commerce, presided over the program. Dr. N. Pradeep Kumar welcomed the gathering. The Principal distributed mementos to those students who have cleared JRF/NET examination 2023-24.

'Prof. M. S. Sreekumar Memorial Endowment' and 'Prof. Dr. S. Krishnan Nair Memorial Scholarship' were distributed to the toppers from B. Com and M. Com batches. Greeshma Satheesh from M. Com and Varsha S.A from B. Com received cash awards for their remarkable performance. 'Jeevankumar A.S Memorial Endowment' were distributed to the second toppers from B. Com and M.Com batches. Anoop S. from B.Com and Devika Sreekumar from M.Com received cash awards for their remarkable performance.

Post Graduate Department of Commerce and Research Centre, Mahatma Gandhi College has organised Annual Research Work Progress Presentation, an experience to all full time and part time research scholars on 01/04/2024. This programme is based on the "Research Colloquium" activities of our department.

The event started by 11.30 am, Dr.Dileep.A.S Head of the Department, Dr. S. Jayadev.S

Department of Commerce, research supervisors Dr. S. Priya and Dr.Chithra. participated the annual research conference. During the event, our department felicitated all the research supervisors who successfully guided the students and students who were awarded PhD during the academic year 2023-2024.

As the event progressed, all research scholars were given an opportunity to present their individual research activities from the date of registration. The scholars were given a maximum of 10 minutes for the individual presentation, followed by active and deliberate open discussion for 5 minutes. All the research scholars (both full time and part time) presented their work in progress.

Seminars and Workshops :“Overhauling Research Snafus: Application of Bibliometric Tools” is a bibliometric workshop organized by the Post Graduate Department of Commerce and Research Centre, Mahatma Gandhi College, Thiruvananthapuram. This workshop is designed to equip you with the knowledge and skills to harness the power of bibliometric tools to make informed decisions and gain insights into the scholarly impact of research. The Workshop was in offline mode with 54 registrations from inside and outside the department. Programme Coordinator and Assistant Professor Dr. Pradeep Kumar N welcomed the guests to the Workshop in the welcome address. The official commencement of the programme was by the inauguration by the Head of the institution, Principal Dr. Beena S, followed by the Presidential address by Assistant Professor Dr Dileep A S, and Head of Department of Commerce. The workshop began at 10 am by Dr. Nimitha Aboobaker, an Assistant Professor at School of Management Studies, CUSAT. She has garnered a reputation for her exceptional work that spans both academia and research. Some of her notable achievements include best paper awards from eminent institutions like UGC, IIM, University of Hyderabad. Also a reviewer to more than a dozen international journals she has won the Emerald Literati Award for ‘Outstanding Reviewer’. Also her works has been invited for presentation in top-tier international conferences. The workshop was finished successfully by 4:00 pm.

Entrepreneurial Ways – Research Products into Commercial Ventures.

The Entrepreneurship Development Club and the Post-Graduate Department G Research Centre of Commerce, Mahatma Gandhi College, in collaboration with Research Innovation Network Kerala (RINK), organised a workshop titled "Entrepreneurial Ways – Research Products into Commercial Ventures." The main goal of this workshop was to emphasize the significance of entrepreneurship in converting research ideas and innovations into viable business ventures and start-ups. The target audience for the seminar comprised faculty members, research scholars, and post-graduate students from various disciplines. The program

featured atalk by Dr. Deepu Krishnan P R, Assistant Manager at RINK, KSUM, and brainstorming activities conducted by the Technology Fellows of RINK, Shahana and Adam. Research is being conducted in universities across different fields, including commerce and science. However, much of this research stays confined within the university premises. This needs to change. Research in science G technology, commerce, etc., should reach society and evolve into profitable products and entrepreneurial ventures. There is a gap that needs to be bridged between research and business/start-up/entrepreneurship ventures. This workshop aimed to address how we can bridge this gap by utilising entrepreneurial skills, knowledge about the business environment, and business laws. The workshop took place at the Seminar Hall, Department of Commerce, with almost 40 registrations. Dr. Pradeep Kumar N, the Programme Coordinator and Assistant Professor in Commerce, extended a warm welcome to the attendees in the opening address of the Workshop. The event officially commenced with the inauguration by Dr. Beena S, the Head of the institution, followed by a Presidential address from Dr. Dileep A S, Head of the Department of Commerce. The esteemed speaker, Dr. Deepu Krishnan P R, who has visited the campus before, discussed the ways to transform academic research into commercial ventures. The workshop stressed the importance of implementing practical applications of research and innovation by Research Scholars. He emphasised the significance of transitioning research from the Ideation phase to the Marketing phase. An activity session allowed Research Scholars to reflect on their work and gain better insights into applying their research outcomes. The event concluded with a Vote of Thanks delivered by Anandhapadmanabhan S, Research Scholar from the Department of Commerce. 52 Students participated the Programme.

WORKSHOP ON RESEARCH AND DATA ANALYSIS WITH SPSS

A session titled "WORKSHOP ON RESEARCH AND DATA ANALYSIS WITH SPSS " was organized in the Department of Commerce, Mahatma Gandhi College, Thiruvananthapuram, on August 22, 2023. Acharayanusmaranam was performed after a prayer at 10.30 pm to start the event. The gathered was welcomed by Dr. Dileep A.S., Head of Department of Commerce, Mahatma Gandhi College, Thiruvananthapuram followed by the presidential address of Dr.Beena S; Principal of Mahatma Gandhi College, Thiruvananthapuram. Dr Jayadev S ,Associate Professor MG college Trivandrum was the keynote speaker of the session.He provided a basic overview of SPSS software and its usage . Following that, the program's felicitation address was given by Dr. N. Pradeep Kumar,Dr Rakesh S,Dr Sumitha R and Dr VishnugopanAssistant professors in the department of Commerce at M.G. College, and, Assistant professor in the same department. The programme was successful, and it concluded around 12:30 pm with a vote of thanks from Dr. Vinod AS Assistant Professor and Programme Coordinator, Department of Commerce, M.G. College Trivandrum. 37 students participated the programme.

The image is a composite of a workshop poster and four photographs. The poster at the top features the Mahatma Gandhi College logo on the left, which includes a circular emblem with a lamp and an open book. To the right of the logo, the text reads: "POST GRADUATE AND RESEARCH DEPARTMENT OF COMMERCE", "MAHATMA GANDHI COLLEGE", and "TRIVANDRUM, KERALA, INDIA". Below this, the main title "Workshop on Research Data Analysis with SPSS" is displayed in large, bold, teal letters. To the right of the title is a 3D bar chart with five bars in blue, green, yellow, red, and orange, and a pie chart with orange and yellow segments. A blue banner at the bottom of the poster says "August 22, 2023".

The four photographs below the poster show the workshop in progress. Each photo includes a "GPS Map Camera" overlay with the following details: "Thiruvananthapuram, Kerala, India", "Sri Mannathu Padmanabhan Rd, Vyasa Nagar, Muttada, Sree Nagar, Kesavadasapuram, Thiruvananthapuram, Kerala 695004, India", "Lat 8.531912°", "Long 76.943697°", and "22/08/23 12:27 PM GMT +05:30". The photos show a presenter at a podium, a laptop on a desk, and an audience of students seated in a hall.

Academic writing and mixed methodology in research” is a workshop organized by the Post Graduate Department of Commerce and Research Centre, Mahatma Gandhi College, Thiruvananthapuram. The Workshop was in offline mode with 60 registrations from inside and outside the department. The coordinator of the programme is Dr. Pradeepkumar N. Assistant Professor, Department of Commerce. The Resource person in the Technical Session I- Mixed Methodology in Social Science Research’ elaborated on applying qualitative and quantitative methods in research. Technical session II-AI Tools for Academic Writing’ commenced at 11:30am. The session continued till 1:30pm. The session was chaired by Dr. Vineeth KM, Associate Professor of Commerce, Government College Tripunithura, Ernakulam. The session discussed various online tools and websites that make research writing and process more fruitful. Some topics include utilising websites and tools like: Theory Hub, Academic Phrasebank, Jenni AI, Copy AI, TypesetIO, SciteAI, Consensus, Perplexity AI and Literature review (website).

INTERNATIONAL CONFERENCE ON RECENT ADVANCES IN MATERIALS SCIENCES” (ICRAMS-

2024) as part of MGC ARC 2024

We are all aware of the significance of research in our daily lives. Research is essential for increasing and broadening knowledge in any field. Keeping this fact in mind, the Post-Graduate and Research Department of Chemistry, Mahatma Gandhi College, Thiruvananthapuram organized a two-day International Webinar on “**INTERNATIONAL CONFERENCE ON RECENT ADVANCES IN MATERIALS SCIENCES” (ICRAMS-2024)** in collaboration with IQAC and Post-Graduate and Research Department of Physics on March 18-16, 2024. The major theme of the conference is the interdisciplinary approach to research in materials science. The conference's principal goal is to provide a platform for exploring some of the most recent advancements in materials sciences. Its goal is to create a common platform for teachers, researchers, and organizations to share their experiences and accomplishments in diverse fields of chemistry. Around 60 registered and approximately 50 people attended, including faculty members, research experts, and PG students.

The conference started with a prayer by Meenu, I MSc Student. The welcome address was given by Dr Padmakumar H, Head of the Department of Physics. **Dr. Sikha T.S**, Head of the Department, of Chemistry, gave a presidential address. In her welcome address. Dr Rajendra Babu K, Former Emeritus Scientist, Department of Physics, Mahatma Gandhi College inaugurated the seminar. He provided useful knowledge on how to conduct research.

Dr. Ratheesh Kumar VK, the IQAC coordinator, gave the felicitation address. **Dr. V. S. Dhanya**, Convener of the conference delivered the vote of gratitude for the resource persons and participants. Dr Dhanya VS, Assistant Professor, Dept of Chemistry, did the anchoring of the inaugural session.

There were two invited talks on 18/03/2024. The technical session started after the inaugural session. The first session was handled by Dr Rajendra Babu K, and the topic was **Mind as a Network Energy System**. The second talk was given by **Dr. Renjith S**, Scientist, SCTIMST, Thiruvananthapuram and the title of the talk was “**Role of a Chemist in Medical Device**

Development” He described the topic very well with a simple explanation which was successful in attracting the interest of the participants. He also gave valuable suggestions regarding various

areas for research. At the end of the technical session of the seminar, **Dr. Rahul S**, Assistant Professor Department of Chemistry, offered a vote of gratitude. The Technical Session II started at 1.30 pm and Assistant Professors, **Dr. Deepa V**, **Dr. Dhanya VS**, and **Dr. Vaisakhan Thampi** from the Department of Physics and Chemistry, chaired the oral presentations of research scholars. The session was concluded with some remarks by the chair about paper presentations.

The invited talk for Day 2 of the conference was conducted via gmeet on 16th March 2024 at 7 pm. The third invited talk was given by **Dr. Sujith S.S.**, Scientist, Buckwell Technologies Taiwan, Before the start of the Invited talk, **Dr. Rahul S**, Assistant Professor, Department of Chemistry gave the welcome speech. Dr. Sujith made a comprehensive presentation on “**Importance and Opportunities of Interdisciplinary Research**”. He discussed how OLEDs are used to make digital displays in a variety of devices, including televisions, computer monitors, and portable systems like smartphones and handheld game consoles. He also discussed the importance of interdisciplinary research and also discussed the opportunities in the industry sector. The participants were well benefitted from his talk. Toward the end of the session, **Dr. Harisankar A**, Research Scholar of the Department of Chemistry delivered the vote of thanks.

**REPORT OF INTERNATIONAL SEMINAR CONDUCTED BY DEPARTMENT
OF BOTANY ON 03RD AND 04TH MARCH 2022 AS PART OF MAHATMA
GANDHI COLLEGE ANNUAL RESEARCH CONFERENCE.**

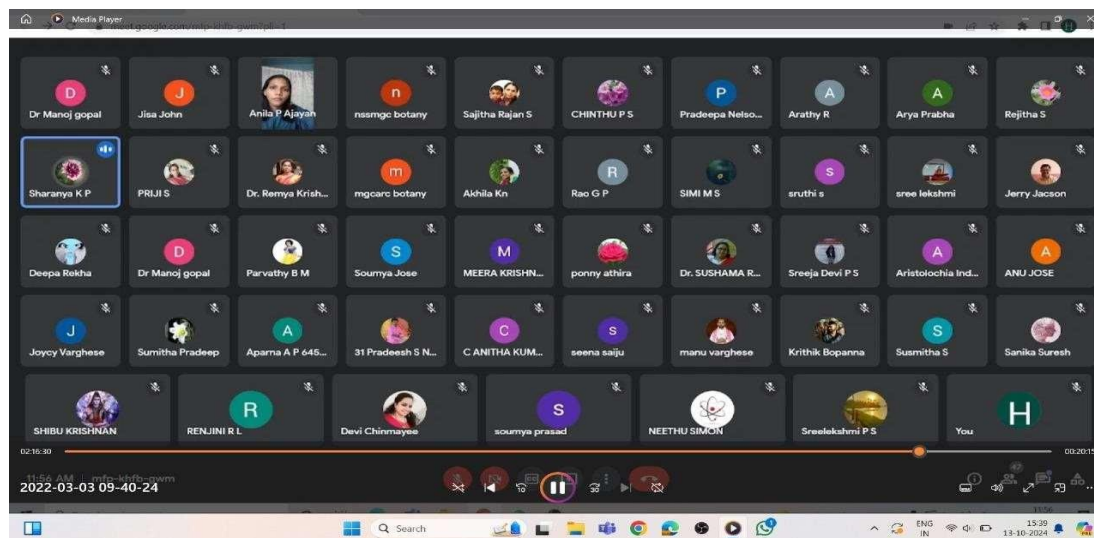

As part of the Annual Research Conference 2022, Mahatma Gandhi College, the Department of Botany, conducted an international seminar (online mode) on Plant Science Research on 3rd and 4th March 2022, in association with the Indian Science Congress Association (ISCA) Kochin Chapter and IQAC, Mahatma Gandhi College. The organizing committee includes Dr. Sivu A. R. (convenor), Dr. Manoj G. S. (co-ordinator). Mrs. Sreelekshmi S., Mrs. Sharanya K. P., Dr. Pradeesh S., Dr. Remya Krishnan, and Dr. Shibu Krishnan K. (temporary faculty) were the members. There were five invited talks with relevant themes, two of which were international. This seminar also provides an opportunity for researchers to present their work. After a critical evaluation, we selected 72 out of the 62 received research papers for presentation.

On 03/03/2022, at 6.30 AM, the program started with prayer and Acharya Anusmaranam. Head of the Department, Dr. Sivu A. R., addressed the importance of conducting an international seminar as part of MGC ARC and welcomed all invitees for the seminar. Our principal, Dr. Ampili M., delivered the presidential address, and in her talk, she stressed the importance of plants and the need to study botany. The principal congratulated the department for conducting an international seminar in association with ISCA and IQAC.

Our Chief Guest of the Seminar, Dr. Murugan K, Retd. Principal of Govt. Arts College, is a renowned academician in the field of botany. He inaugurated the seminar and delivered a key note address on Bryophytes as neglected tradable bioresources and their future prospects. In his talk, he stressed the importance of needed research on underused bryophytes and motivated researchers and students to do more studies on these neglected plant groups. Dr. Manoj G. S., Assistant Professor, Department of Botany, concluded the session with a vote of thanks and by explaining the research on bryophytes conducted at Mahatma Gandhi College

In the second talk of the day, Dr. Anila P. Ajayan, Scientist, Freshwater Algal Ecology Division, Institute of Hydrobiology, Chinese Academy of Sciences Wuhan, China, revealed the secrets of phytoplankton, the world’s largest producers of aquatic ecosystems, and its key role as bioluminescence. Ms. Sreelekshmi opened the session with a welcome speech, and Ms. Sharanya K.P., an assistant professor in the botany department, concluded it with a vote of thanks.

The Principal Scientist of the Malabar Botanical Garden, Dr. N S Pradeep, and Assistant Professor, Botany, Payyanur College, Dr. M K Ratheesh Narayan, chaired the oral presentation, which started at 1 pm. The chair critically evaluated the findings of 28 delegates, making it a wonderful time. The session ended at 4.45 pm with a vote of thanks.

On March 4, 2022, the Friday morning program started at 6.40 am with prayer and Acharya Anusmaranam. Dr. Manoj G.S. welcomed the chief guest, Dr. Radhamany P.M., Professor, Department of Botany, University of Kerala. She gave a wonderful talk on variation in chromosomes. It was very enthusiastic and informative. The session ended with a vote of thanks from Dr. Remya Krishnan.

Dr. Sajitha Rajan from Melbourne University in Australia delivered the second talk of the day. Ms. Sharanya K. P. welcomed the speaker. She discussed the food crisis and the need to introduce innovative technologies like artificial intelligence in food production. Ms. Sreelekshmi proposed a vote of thanks.

Dr. Rameshkumar K.B., Principal Scientist, Phytochemistry and Phytopharmacology Division, JNTBGRI, delivered the third talk. Dr. Pratheesh P. S. welcomed the speaker. In his talk, he detailed different phytochemicals and their structure elucidation methods. He also discussed antiviral drug discovery techniques and the role of herbal medicine against COVID

16. Dr. Shibu Krishnan K proposed a vote of thanks.

Drug	Activity	Plant Genus
Aspirin	Analgesic	Salix
Artemisinin	Antimalarial	Artemisia
Digoxin	Cardiac	Digitalis
Docetaxel	Anti-neoplastic	Taxus
Morphine	Analgesic	Papaver
Paclitaxel	Antineoplastic	Taxus
Quinine	Antimalarial	Cinchona
Topotecan	Antineoplastic	Camptotheca
Vincristine, Vinblastine	Anti cancer	Catharanthus

In the afternoon session, researchers from various institutions presented their research works. Their presentations were chaired and evaluated by Dr. Paulsamy S., Dean, Faculty of Science, Konganadu Arts and Science College Coimbatore. and Dr. Murugan K., Retd Principal, Govt. Arts College, Thiruvananthapuram. The chair thoroughly evaluated the research findings of 31 delegates, and declared the winners after the presentation.

Mr. Bopanna S. L., Student, Department of Botany, Alva's College, Vidyagiri, Moodubidire, Dakshina Kannada, has been granted the Best oral presentation award in the Applied Science section for the paper entitled "Studies on the Fern Diversity of Selected Places in Kodagu District of Karnataka." and Ms. Arthy R, Research Scholar, Department of Botany, Mahatma Gandhi College, Thiruvananthapuram, has been granted the Best oral presentation award in the plant science section for the paper entitled "Characterization of anthocyanin from the flowers of *Impatiens diversifolia* Wall. ex Wight G Arn., and *I. balsamina* L., and its antidiabetic potentialities." We awarded cash prizes and certificates to the winners in each section.

Dr. K V Jayachandran, ISCA, Cochin chapter, Director of Research, and Adjunct Professor Retd. KUFOS was the Chief Guest of the valedictory function. Dr. Sivu A. R., the Head of the Department, chaired the function. The function started at 3.30 PM. Ms. Sreelekshmi S welcomed the guests. Dr. Ampili M., Principal, Mahatma Gandhi College; Dr. G Prabhakar Rao, Life Member of ISCA and Senior Scientist, Rubber Research Institute of India, Kottayam; and

Dr. S. Jayadev, Research Coordinator, Mahatma Gandhi College, gave the

felicitations. The seminar organising committee evaluated the feedback collected from the participants. Dr. Manoj G. S., coordinator MGC ARC Botany and assistant professor, department of Botany Mahatma Gandhi College Thiruvananthapuram, expressed the words of gratitude to all the participants, guests, and the technical teams. The two-day program ended at 4.30 pm on March 4, 2022, with the National Anthem.

Seminar on Intellectual Property Rights

A Seminar on Intellectual Property Rights was conducted by the Department of Physics, Mahatma Gandhi College, Thiruvananthapuram on 6th November 2023 at 1:30 pm. The chief guest and resource person of the seminar was Dr. Vinod A S, Associate Professor Department of Commerce, Mahatma Gandhi College, Thiruvananthapuram. The function was chaired by Dr. Padmakumar, Head of the Department of Physics. Dr. Deepa V, the Research Committee Coordinator, Department of Physics officially welcomed everyone to the function. After the seminar session Ms. Deepa S Suresh, Research Scholar gave her feedback on the seminar and delivered the vote of thanks to everyone. There were 32 participants in the seminar including faculties, research scholars and UG G PG students.

In the seminar the resource person discussed about the importance of being aware of the intellectual property rights in this modern world. Intellectual property rights are the legal rights given to the inventor or creator to protect his invention or creation for a certain period of time. The different types of intellectual property rights are patents, copyright, industrial designs, trade marks, Geographical Indications and trade secrets. The seminar discussed each of them so vastly. Seminar also discussed about the laws related and the fact of copyright infringement.

The Department of Hindi conducts this monthly program targeting research scholars. Through this, they are given the opportunity to enhance their skills, gain general knowledge about their topics, and discuss and speak on those topics without any hesitation. Dr Anooa Krishnan coordinated this program. All department faculty participated in it and made contributions.

Participation in Researchers Fest

Participation in the Research Fest- organized
at Kariavattom Campus, University of Kerala
(19/6/2023 - 22/6/2023)

PG students, Research scholars and
teachers of Hindi Department attended in the
Research Fest- Organized at Kariavattom Campus,
Kerala University, Triv from 19/6/2023 to 22/6/2023.

They had an experience visiting the manuscript
library, Exhibitions, screening of films, speeches
delivered by prominent personalities. They also
had a great time exploring the publications of
different books of teachers. They also collected
many books which were difficult to access.

Report

49

Post Graduate Department of Hindi & Research Centre Mahatma Gandhi College has conducted a workshop on Intellectual Property rights (IPR) on 20/11/2023 @ 10:30 Am. The venue of the function was Seminar Hall, M.G. College, TVPM. Dr. Vinod A.S., Department of Commerce was the Resource person of the workshop. 25 students/ Research scholars participated in the workshop along with 9 faculty members. After the formal functions Dr. Vinod A.S. introduced the basic theory of IPR and explained each and every points with ample examples. Later he told the participants how we can apply for IPR, in which field we can apply etc. He talked on Nature of Intellectual property rights, Industrial design, copy right Phases of copy right Act (India), Copyright ownership, How we can access copyrighted materials etc along with legal procedures. The students were given awareness about the IPR related matters with their known facts which is not noticed by them before. The workshop came to an end at 1 Pm. The co-ordinator of the workshop was Dr. Rajesh Kumar - R, Asst Professor Dept of Hindi, M.G. College. The students appreciated the initiative of the department and requested for more programs like this which enable them to understand the intricacies of methods used to get IPR.

Research Publications during 2023

Sl. No.	Title of paper	Name of the author/s	Department	Name of journal
1	Effect of cobalt doping on antimicrobial, antioxidant and photocatalytic activities of CuO nanoparticles	Dr. VT Kavitha	Physics	Materials Science and Engineering: B
2	Antimicrobial, antioxidant, cytotoxicity and photocatalytic performance of Co doped ZnO nanoparticles biosynthesized using Annona Muricata leaf extract	Dr. VT Kavitha	Physics	Journal of Environmental Health Science and Engineering

3	Phyto-mediated synthesis of pure and cobalt-doped SnO ₂ nanoparticles for antimicrobial, antioxidant, and photocatalytic activities	Dr. VT Kavitha	Physics	Biomass Conversion and Biorefinery
4	Optical characterization of rare-earth activated La _{2-x} Ln _x (MoO ₄) ₃ (Ln= Dy, Sm) phosphors	Dr H Padmakumar	Physics	Journal of Molecular Structure
5	Synthesis, characterization and mechanism of enhanced visible light photocatalytic activity of TiO ₂ -WO ₃ nanocomposites	Dr Prabitha B Nair	Physics	Research on Chemical Intermediates
6	An insight into Judd-Ofelt analysis and non-contact optical thermometry of LiCa ₂ Mg ₂ V ₃ O ₁₂ : Dy ³⁺ phosphors for multifunctional applications	Dr N Gopakumar	Physics	Optical Materials
7	Phyto-synthesis of Pure and Mn Doped SnO ₂ Nanoparticles: Evaluation of Antimicrobial, Antioxidant and Photocatalytic Activities	Dr. VT Kavitha	Physics	Journal of Inorganic and Organometallic Polymers and Materials
8	Luminescence characteristics of white light emitting BaGa ₂ O ₄ : Dy ³⁺ phosphors for LEDs and stress sensing applications	Dr N Gopakumar	Physics	Radiation Physics and Chemistry
9	A comprehensive study on photocatalytic, antimicrobial, antioxidant and cytotoxicity effects of biosynthesized pure and Ni doped CuO nanoparticles	Dr. VT Kavitha	Physics	Inorganic Chemistry Communications
10	Structural, optical and dielectric properties of nanostructured La _{1-x} Sr _x MnO ₃ perovskites	Dr. VT Kavitha	Physics	Materials Today Communications
11	Bio-fabrication of Ni doped ZnO nanoparticles using Annona Muricata leaf extract and investigations of their antimicrobial, antioxidant and photocatalytic activities	Dr. Kavitha VT	Physics	Physica Scripta 98 (1), 015830
12	Phytoplankton diversity and physico-chemical features of vamanapuram river, India	Dr. R.S. Balamurali	Zoology	Indian Hydrobiology
13	On some extremal position problems for graphs	Dr Ullas Chandran SV	Mathematics	ARS Mathematica Contemporanea

14	Larvicidal and Antibacterial Efficacy of Green Synthesized Silver Nanoparticles Using Aqueous Leaf Extract of Cinnamomum Verum	Adhira M Nayar	Zoology	Journal of Chemical Health Risks
15	Peptide Vaccines as Therapeutic and Prophylactic Agents for Female-Specific Cancers: The Current Landscape	Adhira M Nayar	Zoology	Pharmaceuticals
16	Development of a Cu/ZnO@ ZIF-8 nanocomposite as a pH-responsive drug delivery vehicle for the sustained release of doxorubicin in human lung cancer cell lines	Dr Resmi Raghunandan	Chemistry	Journal of Drug Delivery Science and Technology
17	Hydrogen bond mediated turn-on sensor: Ultra-sensitive and label free barium-MOF for probing malathion an organophosphate pesticide	Dr. Resmi Raghunandan	Chemistry	Journal of Molecular structure
18	Dual-Functional Manganese-Doped ZnO-MOF Hybrid Material with Enhanced Hydrolytic Stability: A Fluorescent Photoinduced Electron Transfer Sensor for the Ultrasensitive Detection of Acetic Acid and Chromium (VI)	Dr. Resmi Raghunandan	Chemistry	Inorganic Chemistry (ACS)
19	Synthesis, characterization, photocatalytic activity, DNA interaction and antimicrobial studies of some lanthanide(III) complexes with a tridentate Schiff base ligand	Dr Sikha TS	Chemistry	Journal of Coordination Chemistry
20	Spectral, thermal, structural and DFT studies of new luminescent heterobimetallic MOF of lead and sodium based on diglycolic acid ligand having unusual coordination environment for photodegradation and antibacterial applications	Dr. Resmi Raghunandan	Chemistry	Journal of Molecular structure
21	One-pot synthesis, characterization, photocatalytic activity and biological studies of Co(II), Ni(II) and Cu(II) complexes of a tetraazamacrocyclic Schiff base	Dr Sikha TS	Chemistry	Journal of Coordination Chemistry
22	Recalcitrant Behaviour of the Seeds of Endangered Syzygium Zeylanicum (L.) DC.	Sharanya KP	Botany	Journal of Plant growth regulation

23	Atlas of Cyathodium Kunze Species from India	Dr Manoj GS	Botany	Asian Journal of Biological and Life Sciences
24	Destination image on tourist satisfaction : A bibliometric analysis	Dr. Vinod A S	Commerce	Buisness management and Economics Engineering
25	Small Business are going green: How MSMEs in India are embracing Sustainable Practices to meet the growing demand for green Consumerism	Dr. Priya A.S.	Commerce	Industrial Engineering Journal
26	Phytoplankton diversity and physico-chemical features of vamanapuram river, India	Dr. R.S. Balamurali	Zoology	Indian Hydrobiology
27	A study on the effect of dietary fiber on lipid metabolism in rats	Dr. Bijukumar B.S., Dr. Suresh Chandra Kurup	Zoology	Journal of Xidian University
28	Advances in Zooplankton studies - An overview	Dr. Balamurai R.S.	Zoology	Sustainability, Agri, Food and Environmental Research
29	Environmental factors affecting the distribution of selected free living isopores in the southern coast of Kerala, India	Dr. Balamurali R.S.	Zoology	Bulletin of Pure and applied sciences
30	Trichodinid ciliates in two economically important fishes, <i>Rastrelliger Kanagurta</i> (Perciformes: Seombridae) and <i>Oreochromis Mossambicus</i> (Perciforms : Cichlidae) from Kerala, India	Dr. Balamurali R.S.	Zoology	Sustainability, Agri, Food and Environmental Research
31	Samakaleen Hindi kahaniyom mem thirtheey lingi manavom ki samasyayem	Dr. Rajesh Kumar R	Hindi	Keral Jyothi
32	Swanthamthryothar hindi mahila kahanikar : Ek Antharang pehchan	Dr. Rajesh Kumar R	Hindi	Keral Jyothi
33	The Trauma of Queer Communities: A Study of Geo-Political Reality of the North-East pp. 87-95	Dr. Chithra V.S.	English	Phalanx
34	Customer satisfaction and customer loyalty of digital banking services in the private banking	Anubhadra C S and Dr.Dileep A S	Commerce	Management Researcher

35	Perception and satisfaction of tourists towards culinary tourism in Kerala	Athira K A & Dr Vinod A S	Commerce	Management Researcher
36	Tax incidence dynamics in infrastructure financing : A holistic investigation	Sabeena.A &Dr.sumesh .G.S	commerce	KICMA
37	Green Marketing: A Bibliometric Analysis	Meenu Suresh, Dr. S. Priya	Commerce	Management Researcher
38	Psychological Contract in Banking Sector	Vidhya Vijayan P, Prof (Dr) Reshmi R Prasad	Commerce	KICMA
39	Digital Rupee (e₹-R): The Future of Indian Currency	Anju Chandran, Dr. Kalarani T G	Commerce	KICMA
40	A study on work-life balance among employees in IT sector with special reference to Thiruvananthapuram district	Manjima.D, Dr. Kalarani T.G	Commerce	Journal of management and innovative information technology
41	Travel Loan :Level Of Awareness ,Sources of Mobilisation And Perception Among Salaried Employees	Vidya S Nair,Dr. Kalarani.T.G	Commerce	KICMA REACH
42	Investigating the restorative effects of vacations on employee stress, health and productivity	Manjima. D, Dr. Kalarani .T .G	Commerce	KICMA
43	Digital innovations in financial sector: A systematic literature review and bibliometric analysis	Athira. M. Kumar, Dr. Chithra.P	Commerce	Journal of Management and Innovative information technology
44	Fintech in tourism: A study of modernizing payments for frictionless travel	Athira. M. Kumar, Dr. Chithra.P	Commerce	International journal of creative research thoughts
45	The Impact of Performance Appraisal on Employee Engagemnet: A study on the IT Industry in Kerala	Dr. Sumitha R, Dr. Rakesh S	Commerce	Management Reseracher

46	Role of Government in Grooming Entrepreneurial Attitude Among Students In Kerala	Dr. Rakesh S, Dr. Sumitha R	Commerce	Management Reseracher
47	Performance Evaluation of Gold Exchange Traded Funds (GOLD EFTS): VAR Model	Dr. Jayadev S, Dr. Sumitha R	Commerce	Indian Accounting Association
48	The Relationship between Career Adaptability, Career Social Support on Employability Among Undergraduate Students	Rahul P R, Dr. Chithra P	Commerce	Journal of Management and Innovative information technology
49	Challenges and Growth: A Study Among Rural Entrepreneurs in Tourism Sector	Rahul P R, Dr. Chithra P	Commerce	Entrepreneurial Bridging: Idea to Validation
50	Trends in Agriculture Trade and the Influence of GLObal Crisis on Export	Sreereshma S R, Dr. Dileep A S	Commerce	The Management Accountant
51	Agri tourism: A best option to accelerate Growth of Tourism in the P0st Pandemic Era	Sreereshma S R, Dr. Dileep A S, Dr. V S Santhosh	Commerce	The Management Researcher
52	Agribusiness Entrepreneurship- A Companion for Agriculture in India	Sreereshma S R, Dr. Dileep A S	Commerce	Entrepreneurial Bridging: Idea to Validation
53	The Volatility and Efficiency of Stock of SMEs in the Indian Stock Market During COVID 19 Pandemic	Ajith K S, Dr. S Priya	Commerce	Industrial Engineering Journal
54	A study on the Expedition of Indian Startup Ecosystem with Special Focus on EDTECH	Gopika S	Commerce	Industrial Engineering Journal
55	Employees' Perception towards Green Banking: A study on Commercial Banks in Kerala	Meenu Suresh, Dr. S. Priya	Commerce	Industrial Engineering Journal
56	Role of Kerala Agriculture University in Enhancing Agriprenurship In Kerala	Anandhapadman abhan S	Commerce	Entrepreneurial Bridging: Idea to Validation

57	Impact of Goods and Service Tax on Start- ups in Kerala	Athira M	Commerce	Entrepreneurial Bridging: Idea to Validation
58	Principles of Solidarity Ecooomy from Vaccine Policy of India	Anandhapadman abhan S	Commerce	Social and Solidarity Economy Juggernaut: Case Study
59	Entrepreneurial Burnout: root causes, effects and solutions	Gouri R V	Commerce	Entrepreneurial Bridging: Idea to Validation

Conclusion

This year marked significant progress in research development across several fronts. The Research Committee's action plan resulted in successful collaborations, and increased student engagement through internships. In the coming year, the focus will be on expanding international collaborations, increasing participation in global conferences, and continuing to improve research outcomes through strategic planning and training.
