DEPARTMENT OF ENGLISH

The Department of English, one of the prestigious departments in the college, started functioning with the inception of the college in 1948. Ever since, it has made giant strides in imparting quality education.

Eminent scholars like Prof.Sahasranama Iyer popularly known as ‘the Professor of Professors’, Prof. Sivarama Pillai, Prof. Ramiah, Prof. Vasudeva Panicker, Prof. Easwari Amma, Prof. G.B. Pillai, Prof. E.P. Narayana Pillai, an Oxonian, Dr. M.G. Nayar and Prof.M.G. Gopalakrishnan were all members of the faculty. The former illustrious members of the faculty also include men of letters like Dr. Ayyappa Panicker and Prof. G. Kumara Pillai. The Department is pledged to bring out the best in students by moulding their character, sharpening their communicative skills and equipping them to face the varied challenges in life. The members of the faculty strive to keep abreast of the latest trends in teaching methodologies by attending workshops and seminars. The inception of the Post Graduate Course in July 2012 is a landmark in the progress registered by the department. The Department is enriched by an excellent and experienced faculty. It has initiated diverse innovative techniques in the teaching and learning of English like Remedial Course, Communicative and Spoken English classes and has organized regional and national seminars. The department has a well-stocked library with titles on diverse aspects of English language and literature. It has a repository of multimedia DVDs, CDs and cassettes along with state-of-the-art audio visual equipment. The Alumni Association is a source of support to the Department. The alumni exist as a source of inspiration and timely help, extending financial assistance to economically backward students and helping aspiring students in securing suitable placements. It is a matter of great pride that several former students have made substantial contributions in diverse supplementary fields of activity like Journalism, IT, Management, Law and the Media.

DEPARTMENT OF MALAYALAM

The Department of Malayalam is one of the prestigious departments in our college. It has a rich tradition. The Post- Graduate course was started in 1993, and the department acquired the status of a research centre in 1998. Prof. M.P. Manmadhan, the great social reformer and Gandhian philosopher was one of our prominent faculty members. Dr. A.R Gopala Pillai, eminent scholar and grammarian, Prof. Cherukunnam Purushothaman, well-known scholar and poet, Prof. G. Gopalakrishnan Nair, a versatile genius, Dr. S.V. Venugopan Nair, the well-known short-story writer who won the Kerala Sahitya Academy award, were some of the reputed members of the faculty. Many of our teachers are well-known writers, academicians, research guides, orators, award winners and media personalities. An active Alumni Association, which is functioning under the patronage of the famous poet Prof. V. Madhusoodanan Nair, has been a source of inspiration to our department. The department organizes seminars and workshops with the approval and sponsorship of the UGC. The department conducts Ramayana Seminar in July (Karkkadakam) and Keralappiravi Seminar in November, every year. Terminal examinations and Test papers are conducted regularly. Assignments and discussions, NET coaching, special classes and enrichment programmes supplement teaching, innovative teaching methods are adopted by using audio-visual aids. Documentaries on culture, folklore and literature are shown with the help of LCD. As the students use to study the various aspects of film making we arrange film shows in the department and the talks are arranged by eminent personalities and the technicians in the field of cinema. The

Department library has a collection of around 10000 books. Students are allowed to make full use of the books, journals and periodicals. 'Malayamma' a research forum of Ph.D students has been functioning in our department and conducting various programmes related to research from July 2014.

DEPARTMENT OF HINDI

The Department of Hindi is one of the Research Departments. The Department imparts sound base and result-oriented coaching to the students using modern linguistic tools. The well- stocked library, use of audio- visual aids and the hard work of a team of highly qualified faculty have enabled the dept. to maintain a high standard in Hindi teaching. An effective teaching-learning and tutorial system is in force in the department. Test papers, assignments and group discussions are organized to monitor the academic performance of the students. The teachers work in unison and their team work is the secret of the success of the department. The department also holds the distinction that every member of the faculty has a Ph.D degree. Eminent academician and writer Dr. N. Chandrasekharan Nair was a member of our faculty and led this department for long. He became the Chairman of the Hindi Sahitya Academy. He also guided a few scholars to obtain the Ph.D degree. Dr. J.Ramachandran Nair, another renowned academician, who contributed a lot for the language also served our department for many years. The department is proud of its alumni and the PTA which meets regularly discusses academic as well as other matters for the betterment of the students. Feedback from the students and parents are collected and valuable suggestions from them are incorporated in the strategy of the functioning of the department. The department is all set to launch a new programme, a Spoken Hindi course for the student community of this institution, free of fees.

DEPARTMENT OF HISTORY

The Department of History came into existence in 1999 offering a degree course in History with tourism as a subsidiary subject. By diffusing knowledge in History of the World and of our nation in general and by giving more emphasis on the political and cultural changes that have taken place, History is made an absorbing study of the welcome changes that have shaped our world. Taking into consideration, the low socio - economic status and the below- average academic background of most entrants, a system has been developed by the Department through which more participation on the part of the parents are ensured. Further, the students are classified into various groups, based on their abilities, and teachers are put in charge of each group keenly watching their improvement. Instructions are given frequently to make sure that they are always working to accomplish the objective. Parent - Teacher meetings are held regularly and the issues relating to their studies are discussed with the parents, and practical solutions are initiated for ensuring the desired results. For the identification of the drawbacks of the students' performance in education, weekly tests are being conducted regularly. Remedial classes are arranged for weak students. The tutors monitor the performance of each and every student regularly and suggest appropriate remedial measures for their improvement .Opportunities are provided to bright students to present papers on chosen topics and lead discussions in the classroom. It brings in courage and confidence to the students, to participate in seminars and competitions. The number of prizes won by our students in elocution and essay competitions is testimony to it. We also have a purposeful Alumni Association. . We have completed a minor project with the financial aid from the UGC and another one is submitted for approval.

DEPARTMENT OF SOCIOLOGY

The Sociology Department of Mahatma Gandhi College, came into existence in the year 1980. As a result of the sincere and concerted efforts of the teachers, the Department could launch a brilliant group of students in flying colours into the sky of this prestigious institution. Since the inception of the Department, most of the first rank holders of the University have emerged from this college. For us, it is a matter of pride that not even a single student of this department is wandering jobless. The faculty of this department encourages a unique, open, and continuous process of appraisal and feed-back from the students and their parents. The mission of this department is to impart value- based education system depending upon the contemporary needs and trends through participation by social methods ensuring the quality of sociological education .We complete the portions with a predictable regularity, every year. Periodical tests and examinations are conducted within the prescribed time limit to ensure better results. Study tours, and travel to tribal areas and visits to old age homes are conducted, to ensure the involvement of students in social activities outside the campus. We have a lively organization of Alumni named Smrithi which was officially inaugurated by the renowned former IAS officer, and presently a social activist Dr. Babu Paul, in 2005. A gathering of the forum is held in March, every year. The PTA meetings are also conducted by the respective group tutors. We hope that with the unique co-operation of teachers, students and parents, the department is sure to achieve greater heights of excellence, in future.

DEPARTMENT OF PSYCHOLOGY

The Department of Psychology was established in 1981. The Department encourages individual autonomy, responsiveness to student/parent needs and feedback, and gives ample opportunities for vast exposure to the students. The faculties are eager in developing Indian Psychology through various activities. Regular lecture classes, invited lectures, seminars, Yoga classes and other innovative teaching techniques are used to make students familiar with the advancement of this branch of knowledge. PSYCHEX-a unique technique – (psychology exhibition) provides the students with the opportunity to present before others what they have so far studied in the classrooms. Regular assessment through tests helps students to realize their strength and weakness. Each batch of students is assigned the responsibility of co-coordinating and conducting

one programme every year which in turn gives them opportunity for personality development. The results in the university examinations of the department have always been excellent. Ms. Mareena Wesley, Ms. Devika Bose, Ms. Shari.M.G, Ms. Mathangi Sasimohan, Ms. Pravitha.R.Pillai, Ms.Gauri.S.Nair and Silpa AK are a few who bagged top most positions in the University examinations in various academic years. Warm teacher-student relationship and strong alumni render strong support to the Department. "PRAJNA", the Alumni Association formed in 1995 is a real asset to the Department. "Prajna Day" is celebrated on the second Saturday of June, every year. Prajna supports our students in many ways like instituting two awards: (Syamkumar Award for Best Out-going Student and Prajna Award for Top Scorer in the Final Year Examinations.), Placement assistance, Connectivity, Guidance through guest talks, experience sharing etc., and Virtual meeting by maintaining a website:www.prajnaonline.com

FOCUS is a voluntary action group under the guidance of Dr.Adithi .N, consisting of former and present students of this Department. They carry out community awareness programmes, Behaviour Modification Training and Counselling. The Department believes that both the teachers & parents share equally, the responsibility of nurturing the future generations. So PTA meets thrice in a year. Parents and students are made conversant on the scope and prospects of Psychology in their first day in the college itself. Parental expectations are collected at the first meeting. Parental counseling is also provided in the meeting. Special programmes are given for effective parenting. Feedback on the department is collected at the subsequent meetings. Open-door policy is maintained with personal contacts with many parents. Resourceful parents associate with the Department activities. The department takes initiatives to carry out various programmes for all students of the college.

DEPARTMENT OF MATHEMATICS

The Department of Mathematics was established on 22 August 1948. The Department has the distinction of being one of the oldest departments of this college, offering courses at the UG and PG levels. The PG course was started in 1967. The performance of the students is assessed by the group tutors and the tutorial system act as a grievance redressal forum. Remedial classes are conducted for weaker students.

The Department is enriched by an excellent and experienced faculty. There are nine faculty members. All of them are Ph.D holders and one among them is a research guide. Two teachers have completed their research work and submitted the thesis. All the teachers are actively involved in research in various branches of Mathematics. Major areas on which research work is going on are Analysis, Graph Theory, Discrete Mathematics, Non-linear Dynamics, Operations Research, Statistics etc. The faculty of the department has many national and international research publications and research projects with the financial aid from UGC and DST. There is a well-run organization of students of Mathematics, namely the "Ramanuja Vedi" which conducts seminars, quiz competitions and other programs for the over-all development of the students. The Department has a very strong Alumni Association, with members from various spheres of life. The Department Library is enriched with more than 3000 books and 10 national and international research journals. The Department has a full-fledged Computer Lab and a Smart Class Room. A newsletter named "Spectrum" is published by the students by including recent developments and various results in Mathematics.

DEPARTMENT OF PHYSICS

The Department of Physics is one of the oldest Departments in the erstwhile Travancore University, where Degree Course in Physics is offered. Prof. P.K. Krishna Pillai was the founder Head of the Department. In 1964 the Department was elevated a Post- Graduate department under the headship of Prof. S. Gopala Menon. Since 1984 the department has been approved as a recognized research centre of the University of Kerala. Currently there are 10 approved research guides in the department, and 7 scholars doing research under them.

The major areas in which research work is going on are Theoretical Physics, Crystal Growth, Bio-Physics, Radiation Physics, Mossbauer Spectroscopy, Thin film studies and Nano Science studies. As of now 7 scholars have obtained their Ph.D. One scholar has submitted their thesis from this centre. Very eminent teachers were faculty members of this department including Prof. T.B.K. Menon who later became the Pro-Vice Chancellor of Cochin University of Science and Technology. The alumni of this department are occupying higher echelons of administrative, academic and scientific fields. At present eight faculty members have Ph.D degree and M .Phil degree holders who are all seriously involved in research activities. The Department provides a very vibrant and dynamic academic ambience with effective tutorial work, discussions and seminars. The Department facilitates opportunities for higher studies and placements. The department library is enriched with 6000 volumes of books. More than half a dozen research journals are subscribed. The intake capacity of Degree course is 48 and that of the Post- Graduate course is 15.

DEPARTMENT OF CHEMISTRY

The Department of Chemistry has been functioning in this college since 1948. B.Sc. course started in 1955 and M.Sc in 2001. The University of Kerala had recognized the department as a centre to conduct M. Phil course for three years (1991 - 1994). The department was approved as a Research Centre for Ph.D of the Kerala University, in 2006. It was selected for the SARD project in 2006 by the Kerala State Council for

Science, Technology and Environment (KSCSTE, Govt. of Kerala). The Department received national recognition when it was selected for FIST programme by the Department of Science and Technology (DST), Govt. of India in 2007. The Department faculty has successfully carried out nine minor research projects of UGC and two major research projects of KSCSTE. Eight of the Ten faculty members of the department are Ph.D holders and two are doing PhD. Four teachers are recognized guides for Ph.D. 13 students are doing Ph.D in the department. The faculty members of the department have published more than 100 papers in International and National journals and presented many papers in National Conferences. Five research guides from other institutions are approved guides of this centre. The Department organizes various programmes for the overall development of the students. The Department conducted Quiz competitions and seminars based on collaborative works. Tutorial sessions and Parent-Teacher - Student (PTS) interactions are held periodically to evaluate and improve the performance of the department. The department organizes presentations by students on various aspects of Chemistry. The department publishes a newsletter 'Elements'. The students are also encouraged to attend seminars, workshops and quiz competitions. They have brought many laurels to the department by winning many intercollegiate quiz competitions. There is a tie up with Foundation for Capacity Building in Sciences (FCBS), Chemical Research Society of India (CRSI) and Academy of Chemistry Teachers (ACT) and the faculty and the students participate in their activities. The faculty members of the Department are members of many academic bodies in the University. The faculty and the students participate in extension activities and are aware of current environmental issues. The Department conducted a UGC sponsored National seminar in 2010 and a National workshop in 2012. The Department is consistently producing good results at both UG and PG levels in the university. The department has already produced seven Ph.Ds. Invited talks and science exhibitions are also organized periodically.

DEPARTMENT OF BOTANY

In the Department, the Degree Course started in 1957 and the Post-Graduate Course in 1982. The Department became a recognized research centre in 1988. The research centre has produced 15 Ph.Ds. At the moment, 10 scholars are doing their research

work leading to Doctoral degree under the supervision of the guides of this Department. The Department has collaborated in research projects with esteemed institutions such as: KSCSTE, CTCRI, JNTBGRI, NIIST, and RGC. The Department has a well-equipped laboratory, where research activities under Tissue Culture, Environmental Science, Plant Physiology are being carried out. The full-fledged tissue culture lab is equipped for offering Biotechnology as elective paper for the PG course. At present, the department carries out ambitious projects funded by the UGC and KSCSTE. As part of the quality improvement programme, each member on the staff ensures that the students under his/her care receive the best support and guidance throughout their period of study. Test papers and tutorial sessions are held regularly to evaluate and to enhance the overall development of the student. Group tutors monitor the academic performance of the student and special attention is given to the weaker students. Outstanding students are encouraged to improve their capacity and capability. Students are also given opportunity to present papers, attend seminars and workshops. The students are given counselling on their personal problems, academic matters, and higher education and career opportunities. Guidance and moral support are amply provided to them. The students who are economically challenged are provided with adequate financial support. Visit to research institutions, Botanical Gardens, Sanctuaries and National Parks provide an exposure to students besides their theory and practical classes. Both the teachers and students participate in extension activities of the government and non-government organizations. The teachers of the Department are actively engaged in research and have produced more than 50 Research papers. They update their knowledge by attending seminars and workshops at national and international levels, and assess themselves by taking feedback from students.

Journal of Advances in Biological Science

Journal of Advances in Biological Science is sponsored by the Post Graduate Department and Research Center of Botany, Mahatma Gandhi College, Thiruvananthapuram, Kerala, India and is in print version for articles on all aspects of Biological Science. The scope of the journal extends from molecular biology through classical biology to taxonomy and ecology. The privilege of publication in the journal is not restricted to members of the institution; contributions from research workers worldwide are welcome. Articles submitted to this journal must be original and not have been published elsewhere. Each accepted article type published by *Journal of Advances in Biological Science* follows a specific format. All the articles published in *Journal of Advances in Biological Science* are rigorously peer-reviewed. The Journal is published

biannually (two numbers per year) by the end of June and November.

DEPARTMENT OF ZOOLOGY

The Department was established in 1950 and is one of the earliest Departments of the College. The Department offers Degree and Post-Graduate courses in Zoology. It is an approved Research Centre too, under the University of Kerala. The research Department undertakes various programmes including research guidance to scholars undergoing Ph.D programme as well as projects undertaken by the Department. Till date, seven research scholars, who have worked here, have been awarded Ph.D degree by the Kerala University. Presently, seven research scholars are engaged in research leading to Ph.D. Taking into consideration the difference in socio-economic status and the educational background, the new entrants in graduate courses are classified into groups, based on their capabilities. Their performances are assessed by the Group tutors and proper guidance is given in accordance with the inputs from their parents. The tutorial system acts as a grievance redressal mechanism too. In remedial teaching, the group tutor identifies the weaker students in a class and special coaching classes are given to them. In Enrichment activities a Wall Magazine is displayed in the Department with contributions from the students. Recent developments in science are reported in this. A hand-written magazine 'Janthubhoomi' is published by our students, every month, which serves an example for their extracurricular- initiatives. Both Post-graduate and Degree students regularly participate in seminars and competitions in and outside the College. There is a well-run old student's organization "MGCAAZ" which distributes prizes to outstanding students and conduct programmes like "Guruvandanam" for honouring retired teachers. Reputed Alumni of our Department include: Dr.M. Radhakrishnan Pillai, Director, Rajiv Gandhi Centre for Biotechnology, Prof. Hashim, Registrar (Retired), Kerala University, Sri. James Varghese IAS and Sri. Christy Fernandez IAS. Dr .P. Madhusoodanan Pillai Registrar, Central Agriculture University was a faculty of the Department. The Zoology Museum which has been a prestige of the whole College, has many rare and precious specimens acquired during the past five decades. In Extension Activity, our students engage themselves in conducting awareness programmes on epidemic fevers for the general public, setting an example by making use of their knowledge for the community. During the last five years, two major projects, one funded by the UGC and another by KSCSTE, and a UGC minor project have been successfully completed. Three minor projects and one major project are going on. A national seminar on Vector Borne diseases in Kerala sponsored by UGC was conducted in January 2015.

DEPARTMENT OF COMMERCE

The department of Commerce, one of the oldest in the College, has completed 50 years of existence, proving its excellence in the field of Commerce. It came into existence with the launching of B.Com Degree course in 1957. Ever since its inception, the department has maintained an exalted academic profile which is clearly reflected in the outstanding academic performance of the students. In recognition to its remarkable achievements, it had been elevated to a Post- Graduate Department in 1967. In appreciation of the quality of teaching and the dedicated efforts exhibited in the research and extension work, the University recognized the department as a research centre in 2001. So far, we have produced 8 Ph.D degrees and currently 8 full-time research scholars are doing research leading to Ph.D degree. The department is imparting education to 185 undergraduate students and 40 Post-Graduate students. It has earned the rare distinction of the only department of our institution and one among the six colleges under the University of Kerala that has been granted Rs.5 lakhs by the UGC for conducting an Add-on course during the tenth plan period. The department has a well-stocked library and computer lab for its exclusive use. It envisages and implements innumerable programmes to enhance the employability of the students and to strengthen the personality of the Graduate and the Post-Graduate students.

DEPARTMENT OF PHYSICAL EDUCATION

The Department of Physical Education started functioning since the inception of the college in 1948. The Department has an illustrious history of making noteworthy achievements in the area of competitive sports and games. The Department has succeeded in shaping a pretty good number of sportspersons of National and International stature. The College has been retaining its position as a dominant force in the University intercollegiate sports and games competitions, for several years. Quite a good number of our flag- bearers wear the University colour every year. The Department focuses on certain disciplines, and utmost care is taken right from the sports quota admissions to strengthen those teams. Coaching camps are held

for all teams, and for those have some prospect in the inter-collegiate tournaments. The teams are provided with every possible support and amenities by making use of the resources available to us. We have chosen Football, Cricket, Volleyball, Swimming, Water Polo Softball, Handball, Ball badminton, Taekwondo, PL & WL etc.. As our leading disciplines. The teams in these disciplines invariably secure a place in the University inter-collegiate tournaments. A neatly-equipped Fitness Centre has also been smoothly functioning in the College for the last 4 years. The department also engages itself to create awareness on health and fitness among the college community. From the academic year 2012-13 onwards, the Department is offering an open course entitled 'Health Education and Fitness' for the students of S5 CBCSS.

FIRST DEGREE PROGRAMME STRUCTURE

Semester

Semester means a term consisting of 90 working days distributed over a minimum period of 18 week.

Course

Course means a portion of a subject to be taught and evaluated in a semester. A

course of 4 credits will meet a minimum of 4 hours per week and treated as full course. A semi course one credit will meet at least one hour per week in a semester.

Language course

Students who join for any B.A/B.Sc. programme have to study five course in English and four courses in additional language. The additional languages offered are Malayalam, Hindi, Sanskrit and Russian. Those who join for B.Com. programme have to study 4 courses English and 2 courses in additional language.

Foundation Course

Students who join B.A/B.Sc. programmes have to study one course under language and one course under core. For B.Com. programme students have to take up both the foundation courses under the core subject.

Core Course

Core course means compulsory course in a main subject related to the First Degree Programme (FDP) in a discipline. Students who join for B.A/B.Sc. programmes have to study compulsory 12-15 course courses and submit one dissertation/project report. For B.Com. programme a student has to attempt 16 core courses and submit one dissertation/project work.

Complementary Courses

Complementary course means a course in a subject other than the major subject and is complementary to the main subject. Students who join for B.A/B.Sc. programmes have to study 8-10 complementary courses while for B.Com. programme a student has to choose 4 complementary courses.

Open/Elective Course

Students who join for B.A/B.Sc. programmes have to study two courses to a minimum of 4 credits and for B.Com. , a student has to study 6 courses to a minimum of 20 credits. Open course means an optional course which the student is free to take at his/her will. Elective course means a specialized course from the frontier area of core subject.

Audit Courses

Courses which students can register without earning credits (Zero credit course) and are not compulsory for completing the degree programme. Courses for more than the stated number of credits (120) may be obtained through the audit courses.

Repeat Course

Repeat Course is a course that a student repeats if he/she has failed in it. Repeat courses are possible with the next batch for failed candidates. Students who completes the semester, by securing the minimum required attendance and by registering for ESE of each semester alone shall be promoted to higher semester. Students who fail to secure minimum required aggregate attendance during a semester shall be given one or more chances to repeat the semester along with the subsequent batch of students after obtaining re-admission subjected to the condition that the candidate has to complete the programme in not more than 12 continuous semesters and that the candidate has to appear for CE afresh each time.

Credit

Credit of a course measure of weekly unit of work involving lecture or laboratory session or seminar or similar activity designed for the course. Each credit hour is roughly equivalent to one hour of class time per week in a semester.

ADMISSION TO RESEARCH PROGRAMME

Applications in the prescribed form are invited by the University twice a year, in June and December.

Eligibility- Students

Only candidates who have qualified in the Entrance Test conducted by the University of Kerala or National Eligibility Test conducted by UGC/CSIR or GATE or State Level Eligibility Test conducted by the Kerala Government or who possesses M.Phil Degree by research in addition to Master's Degree or its equivalent with not less than 55% marks will be considered eligible to apply for registration for Ph.D. (SC/ST 45% marks in Science, 40% marks Arts and Commerce).

Eligibility- Teachers

5% marks relaxation for the candidates with minimum 10 years of teaching experience. Teachers with 7 years of teaching experience are exempted from the Entrance Test.

The maximum number of candidates permitted to work under a research guide in the college is five. Teachers are allowed to do part-time research. Candidates shall send their applications to the Registrar, University of Kerala through the college.

APPLICATION PROCEDURE

HOW TO APPLY

Any candidate who wish to join First Degree Programme under Kerala University should compulsorily register online <http://admissions.keralauniversity.ac.in>. (Website). A candidate will have the facility to apply for various Programmes and colleges through a single registration. (*For more details visit university website*)

COMMUNITY/MANAGEMENT QUOTA

For getting admission in community/management quota, candidates should submit separate applications in addition to online registration. Application can be had from the college office.

SPORTS QUOTA

At least one seat shall be reserved for sports candidates in each subject for the First Degree Programme. In addition to these seats, two additional seats, over and above the sanctioned strength, shall be created for allotment exclusively for sports candidates in FDP in each Arts and Commerce subjects.

In postgraduate level, one seat is reserved for every 20 students. In case if it is less than 20 students in a particular subject, it can be clubbed with other subjects.

POST ALLOTMENT ACTIVITIES

Reporting at the College

Candidates who get allotment will have to report before the Principal concerned for admission on the dates notified, with the following documents.

- a) Print out of completed online application generated by the candidate.
 - b) Allotment memo (latest)
 - c) Original mark list of the qualifying examination.
 - d) Fee Receipt (original copy) towards affiliation fee and special fee.
 - e) Certificate to prove date of birth (SSLC Book).
 - f) TC from the Institution last attended.
 - g) Course and Conduct Certificate.
 - a) Original Community Certificate/BPL Certificate.
 - b) Income Certificate in the case of SEBC/OEC candidates.
 - c) Original Certificates to prove claim for grace marks, if any (e.g., NSS, NCC etc.).
 - d) Eligibility Certificate from the University of Kerala in case of candidates who have passed qualifying examination other than HSE/VHSE conducted by Government of Kerala or the examination conducted by CBSE.
 - e) Any other relevant certificate for any claim made in the application.
- NB. Candidates should take and keep sufficient attested copies of Original Certificates before admission for future use.

OFFICE ADMINISTRATION

The college office, headed by the Administrative Assistant, co-ordinates all the functions of the non-teaching staff. The various departments maintain their official relations and transactions with the University. UGC and other external organizations through the college office. For just and speedy administration and services to the student community and to the staff the office organization is arranged into divisions such as General administration, Service Section, Account Section, Examination Section and the like.

RULES REGULATING PAYMENT OF FEES

As per G.O. MS 40 95/74 H.Edu. dated 12-6-1974, the first installment of tuition fee and special fees from students of senior classes should be collected within a period of seven consecutive working days, beginning from the date of re- opening of the College. In the case of students of junior classes, the first installment of tuition fees due till the date of admission with special fees and caution deposits should be paid on or before the 7th consecutive working day of the month concerned.

1. Tuition fee shall be collected from June to February of the academic year in three equal installments. However, the fee for a year can be submitted in lump sum with the first installment. The collection of fee is not made in July.
2. The miscellaneous fee prescribed shall be collected along with the first installment in June.
3. Subsequent installments shall be collected as notified on or before the seventh working day of June, October and December, on specified days, for each class.
4. If the specified day for fee collection is a holiday, fee due is collected on the next working day.
5. A fine of Rs.10/- will be levied after the 10th day of the due date.
6. If the fee and fine due are not remitted within 15 days of the due date, the name of the defaulter will be put on the notice board.
7. The last chance to clear an installment of the fee shall be the date previous to the due date of the succeeding installment.
8. A defaulter shall not be allowed to attend another term without remitting the fee for the previous term.
9. A defaulter who does not clear all the dues by March (he / she) shall not be promoted to a higher class or presented for the University examination.
10. A student admitted for one term only will have to remit the tuition fee for that term and the miscellaneous fees in full at the time of admission.
11. The rules are subject to change or modification according to the Government/ University orders issued from time to time.
12. Fee shall be accepted only on stipulated dates for each class.

Time for remittance is from 10.00 a.m. to 2.00 p.m. only. Receipts with the College seal shall be issued on all payments which should be produced for verification on demand. Students are advised to verify the receipts of remittance before leaving the counter. Also, they are advised to tender exact change to the Clerk concerned.

Re-admission

With the special permission of the principal, the student has to remit all the arrears of fees with fine. NAIR SERVICE SOCIETY

The Nair Service Society (NSS), which has been in the fore front of education and employment in Kerala, has launched a new initiative to establish an Academy of Civil Services with a view to moulding the youth to guide the destiny of the Nation. The Academy with its state of art infrastructure will equip the young men and women of Kerala to meet the challenges of the Civil Services Examinations and secure high positions at the National level. We are proudly announce that the prestigious Institution is situated behind our college and headed by former Ambassador T.P.Sreenivasan IFS. The academy is proud of its teaching faculty, the best in the challenging world and most of them having decades of experiences in the in handling Civil Services examination subjects.
