## DEPARTMENT OF ENGLISH

The Department of English, one of the prestigious departments in the college, started functioning with the inception of the college in 1948. Ever since, it has made giant strides in imparting quality education.

Eminent scholars like Prof.Sahasranama Iyer popularly known as 'the Professor of Professors', Prof. Sivarama Pillai, Prof. Ramiah, Prof. Vasudeva Panicker, Prof. Easwari Amma, Prof. G..B. Pillai, Prof. E.P. Narayana Pillai, an Oxonian, Dr. M.G. Nayar and Prof.M.G. Gopalakrishnan were all members of the faculty. The former illustrious members of the faculty also include men of letters like Dr. Ayyappa Panicker and Prof. G. Kumara Pillai. The Department is pledged to bring out the best in students by moulding their character, sharpening their communicative skills and equipping them to face the varied challenges in life. The members of the faculty strive to keep abreast of the latest trends in teaching methodologies by attending workshops and seminars. The inception of the Post Graduate Course in July 2012 is a landmark in the progress registered by the department. The Department is enriched by an excellent and experienced faculty. It has initiated diverse innovative techniques in the teaching and learning of English like Remedial Course, Communicative and Spoken English classes and has organized regional and national seminars. The department has a well- stocked library with titles on diverse aspects of English language and literature. It has a repository of multimedia DVDs, CDs and cassettes along with state-of-the-art audio visual equipment. The Alumni Association is a source of support to the Department. The alumni exist as a source of inspiration and timely help, extending financial assistance to economically backward students and helping aspiring students in securing suitable placements. It is a matter of great pride that several former students have made substantial contributions in diverse supplementary fields of activity like Journalism, IT, Management, Law and the Media.

### DEPARTMENT OF MALAYALAM

The Department of Malayalam is one of the prestigious departments in our college. It has a rich tradition. The Post- Graduate course was started in 1993, and the department acquired the status of a research centre in 1998. Prof. M.P. Manmadhan, the great social reformer and Gandhian philosopher was one of our prominent faculty members. Prof. A.R Gopala Pillai, eminent scholar and grammarian, Prof. Cherukunnam Purushothaman, well-known scholar and poet, Prof. G. Gopalakrishnan Nair, a versatile genius, Dr. S.V. Venugopan Nair, the well-known short-story writer who won the Kerala Sahithya Academy award, were some of the reputed members of the faculty. Many of our teachers are well-known writers, academicians, research guides, orators, award winners and media personalities. An active Alumni Association, which is functioning under the patronage of the famous poet Prof. V. Madhusoodanan Nair, has been a source of inspiration to our department. The department organizes seminars and workshops with the approval and sponsorship of the UGC. The department conducts Ramayana Seminar in July (Karkkadakam) and Keralappiravi Seminar in November, every year. Terminal examinations and Test papers are conducted regularly. Assignments and discussions, NET coaching, special classes and enrichment programmes supplement teaching, innovative teaching methods are adopted by using audio-visual aids. Documentaries on culture, folklore and literature are shown with the help of LCD. As the students use to study the various aspects of film making we arrange film shows in the department and the talks are arranged by eminent personalities and the technicians in the field of cinema. The Department library has a collection of around 10000 books. Students are allowed to make full use of the books, journals and periodicals. 'Malayamma' a research forum of Ph.D students has been functioning in our department and conducting various programmes related to research from July 2014. 'Ezhuthakam' is an yearly publication from Malayalam Department. Folklore Club of our college "Nanduni" is also co-ordinated by Department of Malayalam.

## DEPARTMENT OF HINDI

The Department of Hindi is one of the Research Departments. The Department imparts sound base and result-oriented coaching to the students using modern linguistic tools. The well- stocked library, use of audio- visual aids and the hard work of a team of highly qualified faculty have enabled the dept. to maintain a high standard in Hindi teaching. An effective teaching-learning and tutorial system is in force in the department. Test papers, assignments and group discussions are organized to monitor the academic performance of the students. The teachers work in unison and their team work is the secret of the success of the department. The department also holds the distinction that every member of the faculty has a Ph.D degree. Eminent academician and writer Dr. N. Chandrasekharan Nair was a member of our faculty and led this department for long. He became the Chairman of the Hindi Sahitya Academy. He also guided a few scholars to obtain the Ph.D degree. Dr. J.Ramachandran Nair, another renowned academician, who contributed a lot for the language also served our department for many years. The department is proud of its alumni and the PTA which meets regularly discusses academic as well as other matters for the betterment of the students. Feedback from the students and parents are collected and valuable suggestions from them are incorporated in the strategy of the functioning of the department. The department is all set to launch a new programme, a Spoken Hindi course for the student community of this institution, free of fees. Also releasing a Magazine named 'KAMNA'.

#### DEPARTMENT OF RUSSIAN

Russian is the official language of Russia. Today Russian is widely used outside Russia. Over a quarter of the world's scientific literature is published in Russian. Russian is also a necessary accessory of world communications systems (broadcasts, air-and space communication, etc). Education in Russian is still a popular choice for both Russian as a second language (RSL) and native speakers in Russia as well as many of the former Soviet republics. Many students from India, especially, from Kerala go for Medical and Engineering Courses in Russia and other former Soviet republics. Therefore a working knowledge of Russian in the graduate level is highly beneficial for the students of Kerala.

Russia is one of the greatest scientifically advanced countries of the world and our country has been highly benefited both scientifically and economically where Russian language experts are always in need. There are many treaties between the Government of India and Russia for our mutual benefit. There is a great demand for Russian language translators, scientific interpreters, teachers to teach Russian in India and abroad.

We all know Science and technology in Russia developed rapidly since the Age of Enlightenment, when Peter the Great founded the Russian Academy of Sciences and Saint Petersburg State University and polymath Mikhail Lomonosov founded the Moscow State University, establishing a strong Russian tradition in learning and innovation. Assimilating this fact we in India, especially in Kerala, continuously strive for better coordination in Science and Technology between our nations. Knowledge of Russian language helps the Students to undertake studies in advanced technology from Russia

We have the VSSC, ISRO, where Russian language specialists are required in the fields of Physics astronomy, mathematics, computing, chemistry, aerospace, weaponry, communications, Information Technology and space technology where qualified Russian specialists are absorbed for a variety of jobs which have direct impact on the development of our country. In the field of nuclear

technology continuous support from Russia adds better opportunity for Russian qualified hands.

## DEPARTMENT OF HISTORY

The Department of History came into existence in 1999 offering a degree course in History with tourism as a subsidiary subject. By diffusing knowledge in History of the World and of our nation in general and by giving more emphasis on the political and cultural changes that have taken place, History is made an absorbing study of the welcome changes that have shaped our world. Taking into consideration, the low socio - economic status and the below- average academic background of most entrants, a system has been developed by the Department through which more participation on the part of the parents are ensured. Further, the students are classified into various groups, based on their abilities, and teachers are put in charge of each group keenly watching their improvement. Instructions are given frequently to make sure that they are always working to accomplish the objective. Parent - Teacher meetings are held regularly and the issues relating to their studies are discussed with the parents, and practical solutions are initiated for ensuring the desired results. For the identification of the drawbacks of the students' performance in education, weekly tests are being conducted regularly. Remedial classes are arranged for weak students. The tutors monitor the performance of each and every student regularly and suggest appropriate remedial measures for their improvement. Opportunities are provided to bright students to present papers on chosen topics and lead discussions in the classroom. It brings in courage and confidence to the students, to participate in seminars and competitions. The number of prizes won by our students in elocution and essay competitions is testimony to it. We also have a purposeful Alumni Association. . We have completed a minor project with the financial aid from the UGC and another one is submitted for approval.

### DEPARTMENT OF SOCIOLOGY

The Sociology Department of Mahatma Gandhi College, came into existence in the year 1980. As a result of the sincere and concerted efforts of the teachers, the Department could launch a brilliant group of students in flying colours into the sky of this prestigious institution. Since the inception of the Department, most of the first rank holders of the University have emerged from this college. For us, it is a matter of pride that not even a single student of this department is wandering jobless. The faculty of this department encourages a unique, open, and continuous process of appraisal and feed-back from the students and their parents. The mission of this department is to impart value-based education system depending upon the contemporary needs and trends through participation by social methods ensuring the quality of sociological education. We complete the portions with a predictable regularity, every year. Periodical tests and examinations are conducted within the prescribed time limit to ensure better results. Study tours, and travel to tribal areas and visits to old age homes are conducted, to ensure the involvement of students in social activities outside the campus. We have a lively organization of Alumni named Smrithi which was officially inaugurated by the renowned former IAS officer, and presently a social activist Dr. Babu Paul, in 2005. A gathering of the forum is held in March, every year. The PTA meetings are also conducted by the respective group tutors. We hope that with the unique co-operation of teachers, students and parents, the department is sure to achieve greater heights of excellence, in future.

## DEPARTMENT OF PSYCHOLOGY

The Department of Psychology was established in 1981. The Department encourages individual autonomy, responsiveness to student/parent needs and feedback, and gives ample opportunities for vast exposure to the students. The faculties are eager in developing Indian Psychology through various activities. Regular lecture classes, invited lectures, seminars, Yoga classes and other innovative teaching techniques are used to make students familiar with the advancement of this branch of knowledge. PSYCHEX-a unique technique – (psychology exhibition) provides the students with the opportunity to present before others what they have so far studied in the classrooms. Regular assessment through tests helps students to realize their strength and weakness. Each batch of students is assigned the responsibility of co-coordinating and conducting one programme every year which in turn gives them opportunity for personality development. The results in the university examinations of the department have always been excellent. Ms. Mareena Wesley, Ms. Devika Bose, Ms.Shari.M.G, Ms. Mathangi Sasimohan, Ms. Pravitha.R.Pillai, Ms.Gauri.S.Nair and Silpa AK are a few who bagged top most positions in the University examinations in various academic years. Warm teacher-student relationship and strong alumni render strong support to the Department. "PRAJNA", the Alumni Association formed in 1995 is a real asset to the Department. "Prajna Day" is celebrated on the second Saturday of June, every year. Prajna supports our students in many ways like instituting two awards: (Syamkumar Award for Best Out-going Student and Prajna Award for Top Scorer in the Final Year Examinations.), Placement assistance, Connectivity, Guidance through guest talks, experience sharing etc., and Virtual meeting by maintaining a website:www.prajnaonline.com FOCUS is a voluntary action group under the guidance of Dr.Adithi .N, consisting of former and present students of this Department. They carry out community awareness programmes, Behaviour Modification Training and Counselling. The Department believes that both the teachers & parents share equally, the responsibility of nurturing the future generations. So PTA meets thrice in a year. Parents and students are made conversant on the scope and prospects of Psychology in their first day in the college itself. Parental expectations are collected at the first meeting. Parental counseling is also provided in the meeting. Special programmes are given for effective parenting. Feedback on the department is collected at the subsequent meetings. Open-door policy is maintained with personal contacts with many parents. Resourceful parents associate with the Department activities. The department takes initiatives to carry out various programmes for all students of the college.

## DEPARTMENT OF MATHEMATICS

The Department of Mathematics was established on 22 August 1948. The Department has the distinction of being one of the oldest departments of this college, offering courses at the UG and PG levels. The PG course was started in 1967. The performance of the students is assessed by the group tutors and the tutorial system act as a grievance redressal forum. Remedial classes are conducted for weaker students.

The Department is enriched by an excellent and experienced faculty. There are nine faculty members. All of them are Ph.D holders and two among them are research guides. All the teachers are actively involved in research in various branches of Mathematics. Major areas on which research work is going on are Analysis, Graph Theory, Discrete Mathematics, Non-linear Dynamics, Operations Research, Statistics etc. The faculty of the department has many national and international research publications and research projects with the financial aid from UGC and DST. There is a well-run organization of students of Mathematics, namely the "Ramanuja Vedi" which conducts seminars, quiz competitions and other programs for the over-all development of the students. The Department has a very strong Alumni Association, with members from various spheres of life. The Department Library is enriched with more than 3200 books, national and international research journals. The Department has a full-fledged Computer Lab and a Smart Class Room. A newsletter named "Identite-17" is published by the students by including recent developments and various results in Mathematics.

## DEPARTMENT OF PHYSICS

The Department of Physics is one of the oldest Departments in the erstwhile Travancore University, where Degree Course in Physics is offered. Prof. P.K. Krishna Pillai was the founder Head of the Department. In 1964 the Department was elevated as a Post- Graduate department under the headship of Prof. S. Gopala Menon. Since 1984 the department has been approved as a recognized research centre of the University of Kerala. Currently there are 10 approved research guides in the department, and 28 scholars are doing research under them.

The major areas in which research work is going on are Theoretical Physics, Crystal Growth, Bio-Physics, Radiation Physics, Mossbauer Spectroscopy, Thin film studies and Nano Science studies. As of now 12 scholars have obtained their Ph.D. six scholars have submitted their thesis from this centre. Very eminent teachers were faculty members of this department including Prof. T.B.K. Menon who later became the Pro-Vice Chancellor of Cochin University of Science and Technology. The alumni of this department are occupying higher echelons of administrative, academic and scientific fields. At present there are 10 faculty members out of which 8 have Ph.D., Degree. One faculty member has already submitted her Ph.D., thesis. The Department provides a very vibrant and dynamic academic ambience with effective tutorial work, discussions and seminars. The Department facilitates opportunities for higher studies and placements. The department library is enriched with 6000 volumes of books. More than half a dozen research journals are subscribed. The intake capacity of Degree course is 48 and that of the Post- Graduate course is 15. The vision of the department is to empower there youth with the energy of science and spread among them waves of scientific thought thus enabling them to tackle challenging problems facing society.

### DEPARTMENT OF CHEMISTRY

The Department of Chemistry has been functioning in this college since 1948. B.Sc. course started in 1955 and M.Sc in 2001. The University of Kerala had recognized the department as a centre to conduct M. Phil course for three years (1991 - 1994). The department was approved as a Research Centre for Ph.D of the Kerala University, in 2006. It was selected for the SARD project in 2006 by the Kerala State Council for Science, Technology and Environment (KSCSTE, Govt. of Kerala). The Department received national recognition when it was selected for FIST programme by the Department of Science and Technology (DST), Govt. of India in 2007. The Department faculty has successfully carried out nine minor research projects of UGC and two major research projects of KSCSTE. Eight of the Ten faculty members of the department are Ph.D holders and two are doing Ph.D. Four teachers are recognized guides for Ph.D. 13 students are doing Ph.D in the department. The faculty members of the department have published more than 100 papers in International and National journals and presented many papers in National Conferences. Five research guides from other institutions are approved guides of this centre. The Department organizes various programmes for the overall development of the students. The Department conducted Quiz competitions and seminars based on collaborative works. Tutorial sessions and Parent-Teacher -Student (PTS) interactions are held periodically to evaluate and improve the performance of the department. The department organizes presentations by students on various aspects of Chemistry. The department publishes a newsletter 'Elements'. The students are also encouraged to attend seminars, workshops and quiz competitions. They have brought many laurels to the department by winning many intercollegiate quiz competitions. There is a tie up with Foundation for Capacity Building in Sciences

(FCBS), Chemical Research Society of India (CRSI) and Academy of Chemistry Teachers (ACT) and the faculty and the students participate in their activities. The faculty members of the Department are members of many academic bodies in the University. The faculty and the students participate in extension activities and are aware of current environmental issues. The Department conducted a UGC sponsored National seminar in 2010 and a National workshop in 2012. The Department is consistently producing good results at both UG and PG levels in the university. The department has already produced seven Ph.Ds. Invited talks and science exhibitions are also organized periodically.

## DEPARTMENT OF BOTANY

In the Department, the Degree Course started in 1957 and the Post-Graduate Course in 1982. The Department became a recognized research centre in 1988. The research centre has produced 15 Ph.Ds. At the moment, 10 scholars are doing their research work leading to Doctoral degree under the supervision of the guides of this Department. The Department has collaborated in research projects with esteemed institutions such as: KSCSTE, CTCRI, JNTBGRI, NIIST, and RGC. The Department has a well-equipped laboratory, where research activities under Tissue Culture, Environmental Science, Plant Physiology are being carried out. The full-fledged tissue culture lab is equipped for offering Biotechnology as elective paper for the PG course. At present, the department carries out ambitious projects funded by the UGC and KSCSTE. As part of the quality improvement programme, each member on the staff ensures that the students under his/her care receive the best support and guidance throughout their period of study. Test papers and tutorial sessions are held regularly to evaluate and to enhance the overall development of the student. Group tutors monitor the academic performance of the student and special attention is given to the weaker students. Outstanding students are encouraged to improve their capacity and capability. Students are also given opportunity to present papers, attend seminars and workshops. The students are given counselling on their personal problems, academic matters, and higher education and career opportunities. Guidance and moral support are amply provided to them. The students who are economically challenged are provided with adequate financial support. Visit to research institutions, Botanical Gardens, Sanctuaries and National Parks provide an exposure to students besides their theory and practical classes. Both the teachers and students participate in extension activities of the government and non-government organizations. The teachers of the Department are actively engaged in research and have produced more than 50 Research papers. They update their knowledge by attending seminars and workshops at national and international levels, and assess themselves by taking feedback from students.

### **Journal of Advances in Biological Science**

*Journal of Advances in Biological Science* is sponsored by the Post Graduate Department and Research Center of Botany, Mahatma Gandhi College, Thiruvananthapuram, Kerala, India and is in print version for articles on all aspects of Biological Science. The scope of the journal extends from

molecular biology through classical biology to taxonomy and ecology. The privilege of publication in the journal is not restricted to members of the institution; contributions from research workers worldwide are welcome. Articles submitted to this journal must be original and not have been published elsewhere. Each accepted article type published by *Journal of Advances in Biological Science* follows a specific format. All the articles published in *Journal of Advances in Biological Science* are rigorously peer-reviewed. The Journal is published biannually (two numbers per year) by the end of June and November.

## DEPARTMENT OF ZOOLOGY

The Department was established in 1950 and is one of the earliest Departments of the College. The Department offers Degree and Post-Graduate courses in Zoology. PG Department started in 1958. It is an approved Research Centre too, under the University of Kerala. The research Department undertakes various programmes including research guidance to scholars undergoing Ph.D programme as well as projects undertaken by the Department. Till date, seven research scholars, who have worked here, have been awarded Ph.D degree by the Kerala University. Presently, seven research scholars are engaged in research leading to Ph.D. Taking into consideration the difference in socio-economic status and the educational background, the new entrants in graduate courses are classified into groups, based on their capabilities. Their performances are assessed by the Group tutors and proper guidance is given in accordance with the inputs from their parents. The tutorial system acts as a grievance redressal mechanism too. In remedial teaching, the group tutor identifies the weaker students in a class and special coaching classes are given to them. In Enrichment activities a Wall Magazine is displayed in the Department with contributions from the students. Recent developments in science are reported in this. A hand-written magazine 'Janthubhoomi' is published by our students, every month, which serves an example for their extracurricular- initiatives. Both Post-graduate and Degree students regularly participate in seminars and competitions in and outside the College. There is a well-run old student's organization "MGCAAZ" which distributes prizes to outstanding students and conduct programmes like "Guruvandanam" for honouring retired teachers. Reputed Alumni of our Department include: Dr.M. Radhakrishnan Pillai, Director, Rajiv Gandhi Centre for Biotechnology, Prof. Hashim, Registrar (Retired), Kerala University, Sri. James Varghese IAS and Sri. Christy Fernandez IAS. Dr .P. Madhusoodanan Pillai Registrar, Central Agriculture University was a faculty of the Department. The Zoology Museum which has been a prestige of the whole College, has many rare and precious specimens acquired during the past five decades. In Extension Activity, our students engage themselves in conducting awareness programmes on epidemic fevers for the general public, setting an example by making use of their knowledge for the community. During the last five years, two major projects, one funded by the UGC and another by KSCSTE, and a UGC minor project have been successfully completed. Three minor projects and one major project are going on. A national seminar on Vector Borne diseases in Kerala sponsored by UGC was conducted in January 2015.

### DEPARTMENT OF COMMERCE

The department of Commerce, one of the oldest in the College, has completed 50 years of existence, proving its excellence in the field of Commerce. It came into existence with the introduction of B.Com Degree course in 1957. Ever since its inception, the department has maintained an exalted academic profile which is clearly reflected in the outstanding academic performance of the students. In recognition to its remarkable achievements, it had been elevated to a Post- Graduate Department in 1967. In appreciation of the quality of teaching and the dedicated efforts exhibited in the research and extension work, the University recognized the department as a research centre in 2001. So far, we have produced 15 Ph.D degrees and currently 10 full-time and 10 parttime research scholars are doing research leading to Ph.D degree. The department is imparting education to 191 undergraduate students and 44 Post-Graduate students. It has earned the rare distinction of the only department of our institution and one among the six colleges under the University of Kerala that has been granted Rs.5 lakhs by the UGC for conducting an Add-on course during the tenth plan period. The department has a well-stocked library and a computer lab for its exclusive use. It envisages and implements innumerable programmes to enhance the employability of the students and to strengthen the personality of the Graduate and the Post-Graduate students. A research forum is functioning in the department for enriching quality research in Commerce.

## DEPARTMENT OF PHYSICAL EDUCATION

The Department of Physical Education started functioning since the inception of the college in 1948. The Department has an illustrious history of making noteworthy achievements in the area of competitive sports and games. The Department has succeeded in shaping a pretty good number of sportspersons of National and International stature. The College has been retaining its position as a dominant force in the University intercollegiate sports and games competitions, for several years. Quite a good number of our flag-bearers wear the University colour every year. The Department focuses on certain disciplines, and utmost care is taken right from the sports quota admissions to strengthen those teams. Coaching camps are held for all teams, and for those have some prospect in the inter-collegiate tournaments. The teams are provided with every possible support and amenities by making use of the resources available to us. We have chosen Football, Cricket, Volleyball, Swimming, Water Polo Softball, Handball, Ball badminton, Taekwondo, Power lifting, Weight lifting and best physique etc.. As our leading disciplines. The teams in these disciplines invariably secure a place in the University inter-collegiate tournaments. A neatly-equipped Fitness Centre has also been smoothly functioning in the College for the last 4 years. The department also engages itself to create awareness on health and fitness among the college community. From the academic year 2012-13 onwards, the Department is offering an open course entitled 'Health Education and Fitness' for the students of S5 CBCSS.

## RESEARCH PROGRAMMES

The following Departments are recognized as Research Centres offering Ph.D Programmes. Facilities are available for both full-time and part-time research.

Mahatma Gandhi College is a leading centre of research among the Arts and Science colleges in the state of Kerala. Among the nine postgraduate departments in the college, the following seven are recognized research centres of the University of Kerala .

1. PG department of Physics and Research Centre
2. PG department of Botany and Research Centre
3. PG department of Zoology and Research Centre
4. PG department of Chemistry and Research Centre
5. PG department of Commerce and Research Centre
6. PG department of Malayalam and Research Centre
7. PG department of Hindi and Research Centre

The first department to be elevated as a research centre was the PG Department of Physics in 1983. The PG department of Botany was recognized as a Research Centre in 1988. At present there are 21 research guides in the college. The research facilities of the college are also extended to former faculty members of the college and experts working in other institutions. They serve as external guides of the departments concerned. The complete list of the approved guides is given separately. More than fifty PhDs have been produced from these centres so far. The faculty members of the

departments have completed many major and minor projects. The faculty have published more than 300 research papers in reputed international and national journals, and presented papers in many international and national conferences. The departments also have international and national collaborations in the research activities.

125 students are doing research in various departments.

## ADMISSION TO RESEARCH PROGRAMME

Applications in the prescribed form are invited by the University twice a year, in June and December.

### Eligibility- Students

Only candidates who have qualified in the Entrance Test conducted by the University of Kerala or National Eligibility Test conducted by UGC/CSIR or GATE or State Level Eligibility Test conducted by the Kerala Government or who possesses M.Phil Degree by research in addition to Master's Degree or its equivalent with not less than 55% marks will be considered eligible to apply for registration for Ph.D. (SC/ST 45% marks in Science, 40% marks Arts and Commerce).

### Eligibility- Teachers

5% marks relaxation for the candidates with minimum 10 years of teaching experience. Teachers with 7 years of teaching experience are exempted from the Entrance Test.

The maximum number of candidates permitted to work under a research guide in the college is five. Teachers are allowed to do part-time research. Candidates shall send their applications to the Registrar, University of Kerala through the college.

## Emeritus Scientist

Dr.K.Rajendra Babu, former Associate Professor in Physics of this College was selected for the KSCSTE Emeritus Scientist Scheme ( KESS-2016) for his contributions to Science & Technology. He has thirty five years of teaching experience in various colleges in India and abroad. He has guided many B.Tech, M.Sc, M.Phil and Ph.D students in the area of Crystal Physics, Thin Films and Nano structured materials. He will be working in the Post Graduate Department and Research Centre in Physics of this college for a period of three years to supervise the research activities and to assist the students in their projects.

- To develop qualities of character, courage, comradeship, discipline, leadership, secular outlook, spirit of adventure and sportsmanship and ideals of selfless service among the youth to make them useful citizens.

- b) To create a human resource of organized, trained, and motivated youth to provide leadership in all walks of life including the Armed Forces, , and always available for the service of the nation.
- c) To create suitable environment to motivate the youth to take up a career in the Armed Forces.

Enrolment of cadets in the NCC is made at the beginning of the academic year. The cadets have to undergo a minimum of four hours training a week, so as to make a total of 80 training hours a year. Discharge certificate are issued to those who successfully attend not less than 75% of the training periods. B and C certificate examinations are conducted by the end of the academic year. NCC kits issued to the cadets should be returned before the month of March every year and a No dues certificate should be obtained from the NCC officer.

## ACADEMIC INCENTIVES

NCC cadets who secure more than 75% of attendance are eligible for weightage marks for their admission to various courses. Seats are also reserved in various professional courses.

NCC cadets are eligible for grace marks under CBCS system. The Grace grade points obtained by a student can be distributed to the End Semester Examination of the different courses in a semester or among two semesters in an academic year as per the choice of the students. The students shall claim the Grace Credit points within six months after the end of the academic year.

## NATIONAL SERVICE SCHEME (NSS)

The aim of National Service Scheme is education through community service. It offers the youth wonderful opportunities to help the poor and the weaker sections. It undertakes social service activities, work camps, and conducts social awareness classes, socioeconomic surveys and leadership camps.

The enrolled volunteers have to undergo a minimum of 240 hours working two consecutive academic years and to attend one special camp of 7 days. These students become eligible for the certificate from the University.

## GRACE MARK

Grace Marks will be awarded to the NSS Volunteers who attended Annual Camp (2% of Total Marks of Semester 3rd and 4th)

Volunteers can participate in the public parade, and various national camps. Those volunteers who attended such camps were rewarded with various amenities and grace marks and also get an opportunity to set part as UN Volunteers section.

NSS certificate holders are eligible to get weightage marks (Degree: 15, PG : 5) for admission.

## SCIENCE CLUB

The Science Club is established to create awareness and interest among the students. The activities of the Club are expected to stimulate the pursuit of scientific knowledge, encourage the students' potentiality to express scientific ideas and to identify their field of interest in Science. Students are assigned small projects which will boost their scientific zeal and help them to take up major projects, beneficial to the society later on. The Club conducts quiz, debates, seminars and talks on the frontiers of Science and Technology. The students are motivated to host exhibitions in their disciplines. The Club also brings in experts from different fields to enlighten and guide the students on career options in Science.

## NATURE CLUB

The Nature Club of the College is named 'Devadaru'. It opens the eyes of the students to the

wonders of nature through its nature camps, visits to national parks, sanctuaries and orientation camps. The students are made aware of the umpteen ways through which our mother earth has blessed and motivated us to develop an eco-friendly attitude to preserve and conserve our invaluable legacy. The Club encourages the students to live in harmony with nature by engaging them in engrossing pursuits such as bird watching, sapling planting, nurturing, caring and protecting plants. Exhibitions, slide shows, camps and other periodical programmes are organized with the help of the World Wide Fund for Nature India

### ARTS CLUB

The Arts Club is a part of the College Union, which is meant to cater to the artistic talents of students. The Arts Club Secretary who is elected from among the students and a Staff Advisor deputed by the College Council control the Club activities. The Arts Club selects and trains the teams for different cultural events.

### BHOOMITRA SENA CLUB

Bhoo Mitra Sena Club is aimed at encouraging College students to appreciate the environment and address local environmental issues. The Club will organize Seminars, Debates, Lectures and talks on environmental issues, Field visits to Wildlife Parks and so on. Other activities include cleaning and maintaining the polluted or environmentally degraded sites, planting and maintaining trees in the campus. The students will also organize awareness camps to promote waste management, personal hygiene and a sustainable life style.

### IT CLUB

The IT Club in the College functions to exploit avenues opened for the students in the fields of computer and information technology. The College particularly aims at imparting essential knowledge to every student on computer without imposing financial burden on them.

The internet facilities are made open mostly during the working hours. A neatly- equipped Computer Lab is set- up to oversee the progress of the schemes prepared by the College.

### LITERARY CLUB

'Literati' is a Literary Club functioning under the auspices of the Department of English. The avowed aim of the Club is to bring out the latent literary talent in the students. The Club conducts essay, short story and elocution competitions. A magazine named 'Literati' is published by the Club. The Club has endeared itself among the students by the opportunities it has opened before them.

### FORESTRY CLUB

The Club initiates conscientious efforts against tree felling and other unhealthy activities that create ecological imbalance. The Club forms consensus on planting trees and other nursery saplings, takes part in sapling distribution programmes of the Forest Department, labelling of trees, and organizes seminars, discussions, exhibitions, padayatras and vanadarsan . The combined activity of the Nature and Forestry Club helps to keep the campus green and clean.

### TOURISM CLUB

Tourism in Kerala has become a major source of direct and indirect employment. The Tourism Club aims at building an awareness among the students in responsible tourism. The Club is functioning under the aegis of the Department of History. It organizes seminars, discussions, live performances and training sessions to keep its members abreast of the numerous organizations and departments

related to tourism. It is also engaged in the task of identifying potential tourist spots and devising strategies to attract tourists to the sites.

### QUIZ CLUB

Quizzing looks a funny activity, but its value in the modern competitive world is enormous. Keeping this fact in mind, the quiz club is formed to regularly engage our students in this knowledge enhancing and thought-provoking process. The Club intends to conduct competitions in and outside the campus, on a wide variety of topics.

### SPORTS CLUB

The College Sports Council is a body that organizes the intramural sports and games activities of the College. Although every student is a member of the Club, an Executive Committee comprising the Principal as Chairman, the Teachers in the Dept. of Physical Education, a student leader and three representatives each from the teaching and the student communities are responsible for the conduct of the activities of the Council. The Council also focusses on imparting health awareness programmes for the student community.

### CAREER GUIDANCE AND PLACEMENT CELL

Realizing the needs of the fast-changing world and the opportunities thus created for our students, the College has set up a Career Guidance and Placement Cell. The Cell primarily aims at obtaining the best possible placements to the Final Year students and, equally, making them aware of the higher education options available to them in various subjects. The Cell has identified certain areas which have a lot to do with the campus selections, and training is imparted according to the formulated programmes. The expertise available in the institution is tapped optimally for this purpose.

### HUMAN RESOURCES DEVELOPMENT CELL

The activities of this Cell in the College supplement the curriculum programme for moulding the students into responsible citizens. The Cell organizes inter- disciplinary classes during free hours. The programme of the cell is intended to develop leadership qualities in students.

### WOMEN STUDY CELL

The Cell functions with the objective of empowering the girl students to face with confidence the challenges of life. The unit organizes programmes for enabling the lady students to become the responsible women of tomorrow. It helps them to shoulder responsibility with greater confidence, commitment, efficiency and effectiveness.

### COUNSELING CENTRE

Students' Counseling Centre helps the students to deal with both personal and academic problems and enables them to identify their strengths and weaknesses, to chalk out a suitable educational / career path. It also organizes Seminars and Workshops on Career Planning and Personality Development. The expertise of the Department of Psychology, in this area, is utilized in the effective functioning of the centre.

### HEALTH CLUB

In this era of fast life, students who are always subjected to huge mental stress and physical

strain. Health Club offers a stressless and tensionless life for all. For this, club organizes medical camp, seminar, exhibition, workshop etc. periodically. Health club also focuses on Yoga.

## STUDENT SUPPORT AND PROGRESSION

### The Tutorial System

A well-organized tutorial system is run in the College which aims at extending individual attention to every student. A group tutor looks after the affairs of the students of a class. A healthy rapport is expected to be built between each student of the group and the tutor. This may lead to imparting proper guidance to the needy.

Group tutors give counseling individually and monitors the academic performance of each student and evaluate his/her skills regularly. Through this system, the overall performance of each student is closely monitored and intimated to the parents.

### Parent-Teacher Meetings

Each Department convenes class-wise Parent-teacher meetings to exchange views on students' performance. Such meetings improve the general performance of the Departments and the College. Parent-Teacher Association is another mechanism for parent-Teacher meetings and feedback.

### Alumni association

The forum of the former students, the Alumni Association aspires to establish and maintain a warm relationship among the former students, helps them to renew their old associations with their College, classmates and teachers and support their almamater in her hours of need. The College proposes to utilize their skill and competence in its many-sided developmental programmes.

### Grievances and Redressal Cell

The Grievance and Redressal Cell shall look into the grievances of the staff and students and take appropriate measures to redress them. The students are expected to lodge their grievances with their respective tutors who will in turn intimate the matter to the committee for necessary action.

### Anti- Drug Cell

Functions to prevent the use of drug inside the campus cell takes the initiative to conduct awareness programmes, campaign and classes in order to make a notion among students against drugs and Alcohol.

### Anti-Ragging Cell

The Cell functions to prevent any physical or mental torture or any disorderly conduct towards any student of this institution causing apprehension, dread, humiliation or agitation in him or her. The College is particularly firm on taking action against the offenders, as per the provisions contained in the Anti-Ragging Act of Kerala.

## NAIR SERVICE SOCIETY

The Nair Service Society (NSS), which has been in the fore front of education and employment in Kerala, has launched a new initiative to establish an Academy of Civil Services with a view to moulding the youth to guide the destiny of the Nation. The Academy with its state of art infrastructure will equip the young men and women of Kerala to meet the challenges of the Civil Services Examinations and secure high positions at the National level. We are proudly announce that the prestigious Institution is situated behind our college and headed by former Ambassador T.P.Sreenivasan IFS. The academy is proud of its teaching faculty, the best in the challenging world and most of them having decades of experiences in the in handling Civil Services examination subjects.

## ACHIEVEMENTS OF PREVIOUS YEAR (2017-18)

### DEPARTMENT OF PHYSICAL EDUCATION Report on Activities and Performances 20017-18

Our college, one of the leading institutions in sports under the University of Kerala, has been consistently showing outstanding performances in the university intercollegiate, state and national championships. Our students bring laurels for our country as well as state in various disciplines. We play a fruitful role in bringing up sports persons to national and international levels.

#### Team Performance

Sl.No.	Discipline	Achievements
1	Ball badminton (M)	Winner –IC tournament
2	Cricket	Winner - IC tournament
3	Football	Third Position - IC tournament
4	Ball badminton(W)	Winner - IC tournament

6	Aquatics (W)	Runner-up - IC tournament
7	Water polo(M)	Third Position - IC tournament
8.	Athletics (M)	Third Position - IC Meet

More than 60 athletes / players make it to the prestigious Kerala University and state teams this year, in different disciplines. Our players regularly occupy a place in the highly competitive Kerala state teams such as Football, Cricket, Swimming and Water polo, Ball badminton, Softball, Baseball, Taekwondo and hand ball. We have also been able to produce a few sports persons with international stature.

Jithu.S.P of our swimmer secured gold medal in the South Asian Aquatic Championship held at Srilanka and participated in the Under 20 Asian Age Group Aquatic Championship held at Indonesia. Pooja.S, Drishya and Soorya Surendran of our women swimmers won laurels for our college and nation by securing gold medal in the international water polo championship held at Srilanka.

Vineeth .V, Vivek.U and Seelekshmi.L of our ball badminton players were selected in to play in the senior national championship by getting selection in the Indian University team

Manu George of our college won National Championship in Taekwondo and got selection in the pre Asian Games squad.

Praveen kumar IDC Psychology won Gold Medal in Taekwondo. Manu Zachariah of IDC Hindi became fastest Runner of Kerala University.

We also run a well equipped fitness centre mainly for the non-sports persons of the college. Around 30 to 50 students regularly come and use the facilities.

More than 70 students opted to study the open course offered by our college "Health and Fitness Education" last year and the teachers in physical education engage the classes at three hours per week.
